PARKS, RECREATION, & CULTURAL ARTS COMMISSION AGENDA REPORT

MEETING DATE: April 6, 2022

ITEM NUMBER: 6A

**To: Chair Alexander Duran & Members of the Parks, Recreation
and Cultural Arts Commission**

Presented by: Emeline Noda, Director of Recreation & Community Services

**Subject: Findings Required by AB 361 for the Continued Use of
Teleconferencing for Meetings**

SUMMARY

For the Parks, Recreation & Cultural Arts Commission to continue to have the option to meet via teleconference during the pandemic, AB 361 requires the Parks, Recreation & Cultural Arts Commission to make specific findings at least every thirty (30) days.

RECOMMENDATION

Make the following findings by a majority vote of the Parks, Recreation & Cultural Arts Commission:

- a. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
- b. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and
- c. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

BACKGROUND

Assembly Bill 361 (AB 361) was signed into law by the Governor on September 16, 2021. A portion of AB 361 enacted amendments to California Government Code section 54953 regarding teleconference meetings. Those amendments authorize local agencies, like the City, to continue to conduct meetings by teleconference¹ during a Governor-proclaimed

¹ A "teleconference" occurs for purposes of AB 361 whenever one or more members of the Parks, Recreation & Cultural Arts Commission connect to a Parks, Recreation & Cultural Arts Commission meeting via electronic means. Thus, even if four members of the Parks, Recreation & Cultural Arts Commission meet in person, if the fifth joins the meeting via Zoom, the meeting will be a teleconference meeting that must be conducted in accordance with the requirements of AB 361.

state of emergency² provided that certain findings are made by the legislative body, and provided that certain procedural requirements are met regarding public access to the meetings.

A new requirement in AB 361 requires specific findings be reaffirmed at least every thirty (30) days in order for the Parks, Recreation & Cultural Arts Commission to continue to have the option for one (1) or more of its members to use teleconferencing.

DISCUSSION

Required Findings

The teleconference provisions in AB 361 may only be utilized as long as a Governor-proclaimed state of emergency remains active, or while state or local officials have recommended measures to promote social distancing. When either of those is the case (both are true at this time), then in order to continue to teleconference using the new provisions of AB 361, the Parks, Recreation & Cultural Arts Commission must make the following findings by majority vote every 30 days:

(A) The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and

(B) Either of the following circumstances exist:

- (i) The state of emergency continues to directly impact the ability of the members to meet safely in person; or
- (ii) State or local officials continue to impose or recommend measures to promote social distancing³.

To comply with that requirement, the recommended action would have the Parks, Recreation & Cultural Arts Commission find each of the following:

- a. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
- b. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and
- c. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

The "Every 30 Days Thereafter" Requirement

As noted above, AB 361 findings must be made "no later than 30 days after teleconferencing for the first time pursuant to [AB 361], and every 30 days thereafter..."

² For purposes of AB 361 "...state of emergency' means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act..." Cal. Gov't Code Sec. 54953(e)(4). Section 8265 of CESA in turn refers to a state of emergency proclaimed by the Governor

³ Cal Gov't Code Sec. 54953(e)(3)

In order to preserve the option for the Parks, Recreation & Cultural Arts Commission or individual members of the Parks, Recreation & Cultural Arts Commission to participate in meetings during the pandemic via teleconference in the future, the Parks, Recreation & Cultural Arts Commission will have to adopt the required findings at least every 30 days.

Potential Consequence of Not Making the Findings Every 30 Days

AB 361 does not expressly state what happens if a legislative body fails to make the required findings “every 30 days.” However, it expressly requires the timely re-approval of the findings “in order to continue to teleconference” in the manner that AB 361 authorizes.

As a result, if the Parks, Recreation & Cultural Arts Commission does not adopt the required findings every 30 days, then the Parks, Recreation & Cultural Arts Commission could be precluded from continuing to teleconference thereafter, perhaps even if the Parks, Recreation & Cultural Arts Commission was later willing to adopt the findings at a later date. For this reason, the City Attorney recommends that the [Parks, Recreation & Cultural Arts Commission adopt the required findings at this time and at least every 30 days thereafter, unless the Parks, Recreation & Cultural Arts Commission decides as a permanent matter that it will no longer permit teleconferencing at all (e.g., regardless of whether the state of emergency worsens).

Procedural Requirements for The Conduct of Teleconference Meetings

AB 361 contains several new requirements for the conduct of teleconference meetings with which the City has prepared to comply. Specifically, each meeting must:

1. Allow members of the public to attend and comment at the meeting via call-in option or internet-based service option;
2. Protect the statutory and constitutional rights of the parties and the public appearing before the legislative body;
3. In the event of disruption which prevents broadcasting the meeting or which prevents members of the public from offering public comments via the call-in or internet-based option, the Parks, Recreation & Cultural Arts Commission must take no further action until the disrupted public access is restored;
4. The City may not require public comments to be submitted in advance, and must offer the opportunity for the public to offer comments “in real time” during the meeting; and
5. The public must be allowed “a reasonable amount of time per agenda item to allow members of the public to provide public comment, including time for members of the public to register [to log into the teleconference], or otherwise be recognized for the purpose of providing public comment.

Subject: Employee of the Quarter

SUMMARY

This report provides the Parks, Recreation & Cultural Arts Commission with information regarding the Los Alamitos Recreation & Community Services Department Employee of the Quarter.

RECOMMENDATION

Commission receive and file.

BACKGROUND

The Recreation and Community Services Department implemented an awards program to recognize part-time employees for their outstanding work performance on a quarterly basis. The awards program was designed to honor individuals who have a strong work ethic, exhibit quality customer service to patrons, and have performed excellent work in their program or event to which they were assigned.

DISCUSSION

First implemented in Fall 2015, the Recreation & Community Services Department full time staff wanted to recognize part-time employees within the department to honor those who have gone above and beyond. The Department employs approximately 50 part-time recreation leaders on an annual basis. Most of the employees do an outstanding job on a daily basis, but there are a few who have stood out among their peers.

Staff developed a STAR criteria for determining which staff member(s) should be recognized each quarter. Employees are nominated by lead staff or the administrative team in the Recreation & Community Services Department and voted on each quarter based on the following criteria:

S – Support of the Department's Values
T – Teamwork
A – Above & Beyond
R – Reliable

The following individuals have been the recent recipients of the "Employee of the Quarter."

Natalie Ward (Senior Recreation Leader) – Natalie was awarded Employee of the Quarter for Winter of 2021. Natalie has been an integral part of the Recreation and Community Services team since she was hired. She has assisted in nearly every program from Summer Day Camps, Parks Programs, staff-led classes, special events and more. She took on the role of co-Preschool teacher lead in the spring of 2021 and has since revamped the program and done a stellar job. Her positive attitude is contagious.

Suzannah Ives (Senior Recreation Leader) – Suzannah was awarded Employee of the Quarter for Spring of 2021. Suzannah played a very important role in the return of the Dine In & Dough House program for seniors. She brought the program up to speed in a safe and responsible way through the ups and downs of reopening after Covid. She took the lead in inventory and ordering of supplies, menu planning, scheduling entertainment and training new staff to take over the program. Her organizational skills and responsibility make her deserving of this award.

Cassidy Figueroa (Community Services Coordinator) – Cassidy was awarded Employee of the Quarter for the Summer of 2021. Cassidy has played a part in nearly all programs within the Department. She most recently has taken on contract classes, staff-led classes and camps, planning of Weekend of Art, in addition to serving as the co-Preschool teacher lead. She has quickly grown into each role she has been given and has taken it to the next level.

Lauren Pavelec (Clerical Assistant) – Lauren was awarded Employee of the Quarter for Fall of 2021. Lauren has had a quick rise within our Department, growing from Recreation Leader to Senior Recreation Leader then Clerical Assistant with the past year. Her organizational skills and team mentality keep our Department running smoothly. She picks up on tasks quickly and gets them into working order, then takes the time to ensure staff around her are properly trained and updated.

Gilberto Arteaga-Ceja (Recreation Specialist) – Gilberto was awarded Employee of the Quarter for Winter 2022. Gilberto has also grown very quickly in his role within the Department in just under one year. He started out as a Recreation Leader, promoted to Senior Recreation Leader and then Recreation Specialist all in just under one year. He has helped in Summer Day Camp, Parks Program, front desk, special events, sports, facility maintenance and most recently senior programming. Gilberto is a quiet leader whose strengths are in the example he leads for other staff.

FISCAL IMPACT

The nominal costs for the certificates, stars, and STAR Employees recognition wall decor to recognize staff is taken from the Recreation and Community Services Department's supply budget.

MEETING DATE: April 6, 2022

To: Chair Alex Duran & Members of the Parks, Recreation and Cultural Arts Commission

Presented By: Joanna Contreras, Recreation Supervisor and
Cassidy Given, Community Services Coordinator

Via: Emeline Noda, Director of Recreation & Community Services

Subject: Programs Highlight: Preschool Age Programs

SUMMARY

This report provides the Parks, Recreation & Cultural Arts Commission with a preview of Preschool Age Programs.

RECOMMENDATION

Commission receive and file.

BACKGROUND

The City of Los Alamitos Recreation and Community Services Department offers a wide variety of programs, classes, and camps for preschool age children ages three to five years old, ranging from science camps, dance classes, Jr. Pee Wee Sports, and a preschool program. This age group represents a strong niche in the Los Alamitos community of parents who are continuously seeking to expose their children to a range of experiences during this important introductory stage of their lives and see what piques their interest.

Although additional organizations provide similar programming to the Department's Ready, Set Go! Preschool Program, the demand remains high to offer this type of program to the community. The Recreation and Community Services Department offers a lower cost option for recreational and educational-based programs as well as an alternative to competing for enrollment in other local preschool programs with full waiting list. Additionally, promoting regular physical activity is a public health priority, and classes conducted by the Recreation and Community Services Department makes physical activity available, affordable, enjoyable, and ultimately, beneficial for the youth of the community. Staff continuously evaluates current trends in community needs to fill gaps or supplement the provision of services for this target age group.

DISCUSSION

Ready, Set, Go! Preschool Program - The Ready, Set, Go! Preschool Program sponsored by Southland Credit Union has recently gone through some changes with staff, an updated curriculum, and new and improved organization of the building. At the start of the fall 2021 session, two new teachers were brought in to oversee the Preschool Program. Natalie Ward, who is currently attending Cal State University, Long Beach to receive her teaching credential, is now the head teacher for the Tuesday/Thursday 3 to 4 year-old class. Cassidy Given, who graduated from Brigham Young University-Hawaii with her teaching credential and worked in the Los Alamitos Unified School District as an Instructional Aid and Substitute Teacher for three years, is now the head teacher for the Monday/Wednesday/Friday, 4 to 5 year-old class. With backgrounds in education, Natalie and Cassidy were able to create a new curriculum focusing on hands-on learning, problem solving, language skills, and cognitive and gross motor development. An emphasis was placed on learning through play and activities.

Natalie and Cassidy spent many hours in the beginning of the year cleaning out and organizing the Preschool building including ridding it of unused items. They updated all the posters and bulletin boards hanging throughout the room and created spaces for students to socially play, centers to learn, a calm corner to reassess emotions, and easy access to all books in the library. They put in a lot of thought and effort to theme the room each season to create a warm and inviting environment for learning. Student artwork and handmade crafts are continuously displayed on the walls in the Preschool building.

COVID-19 restrictions closed the Ready, Set Go! Preschool Program, and upon its reopening maximums were reset to meet new guidelines. At the start of the fall 2021 session, the Preschool Program was limited to 14 students, with the maximum increasing to 20 for the winter 2022 session which presents a full classroom with limited COVID-19 restrictions. Staff continues to promote the program in an effort to reach full capacity. As part of the sponsorship through Southland Credit Union, participants with a current savings account with Southland Credit Union receive a 20% discount on registration per session.

The Ready, Set, Go! Preschool Program strives to create a realistic classroom setting to best prepare students for transition to kindergarten. Academics is a major emphasis in sight words reading, math, science and art. Natalie and Cassidy have created an assessment taken by every student followed by a final assessment at the end in order to better track progress of participants. For those students who join mid-year or interested in switching days, assessments are provided to ensure they are placed in the correct class. Cassidy is currently planning the 4 to 5 year-old graduation to be held Friday, June 10 with a theme of "Blast off to Kindergarten!" Staff continuously seeks the best practices in teaching and creating a positive learning experience.

Parent and Me Sports – This coed program is offered for participants ages 2 to 3 years with parent participation. It provides a great way for parents to introduce their child to different sports and the benefits of physical activity. Programs include:

- Parent and Me Basketball
- Parent and Me Soccer
- Mini Superstars

This report provides the Parks, Recreation & Cultural Arts Commission with a preview of the Los Alamitos Volunteer Program (L.A.V.P.), Counselor In Training Program (C.I.T.), and future Youth in Government program.

RECOMMENDATION

Commission receive and file.

BACKGROUND

The following programs are provided by the Recreation and Community Services Department to benefit local teens who reside in the City of Los Alamitos or attend a school in the Los Alamitos Unified School District. Teens involved in these programs are provided an opportunity to make a positive impact in the City of Los Alamitos. Participants learn necessary job and life skills that will help them in the future and give them the opportunity to achieve these skills in a fun, safe, and encouraging environment.

DISCUSSION

Los Alamitos Volunteer Program (L.A.V.P.)

L.A.V.P. is a volunteer-based program for youth ages 11-17 to give back to their community while assisting them in completing community service requirements necessary for high school graduation. These students gain experiences in various fields within Recreation, while supporting other local non-profit organizations as well as the City of Los Alamitos. There are currently 84 volunteers in the program. Registration for

the 2022-2023 membership year is open and can be found on the Department's website. The 2022-2023 membership year commences on May 18, 2022. Additionally, scholarships to cover the program participation fee are available for Los Alamitos residents and a college scholarship award application is currently being updated.

Counselor in Training Program (C.I.T.)

The Counselor in Training program (C.I.T.) is for ages 13 to 16. In this program, participants gain valuable work experience by working alongside the Los Alamitos Day Camp Staff to prepare camp activities, organize games, arts & crafts, and assist staff with special events. They learn firsthand what it takes to be a Day Camp Counselor. Each two-week session features one training workshop per week aimed to develop and strengthen professional and life skills for teens. Scholarships for program participation are available for Los Alamitos residents.

Youth in Government

The Recreation and Community Services Department is in the beginning stages of developing a Youth and Teen Government program set to launch the last quarter of 2022.

In partnership with Los Alamitos High School, Recreation staff believe this program can greatly benefit students interested in an experimental learning program based upon the City of Los Alamitos. Under the guidance of City staff, participants will have the opportunity to collaborate with staff and fellow program participants to learn more about local government and be provided with an opportunity to be involved in the community. Recreation staff have moved forward with outreach to Los Alamitos High School Activities Director. With her guidance and approval, Recreation staff will work with the High School on student club commissioner outreach and program advertisement. Students will have the opportunity to apply and interview for the program (similar to their Student Government program at school) to determine program participant roles. There will be a limited number of participants based on matching positions.

To kick off the program, the City of Los Alamitos will host a luncheon for participants along with the City of Los Alamitos Executive Team, Management Team, and City Council. After the luncheon, participants will have the opportunity to meet with a paired mentor based on their future interests and interview from the City of Los Alamitos team. The program content for the year is being finalized, but will be community-involvement based.

FISCAL IMPACT

Funding for the L.A.V.P. and C.I.T. program is offset by resident and non-resident participant fees. The programs' revenues and expenditures are encompassed in the Recreation and Community Services Department's budget.

Funding for Youth in Government is currently being discussed.
