COMMISSION AGENDA REPORT

MEETING DATE: June 1, 2022

ITEM NUMBER: 6A

To: Chair Alex Duran & Members of the Parks, Recreation and Cultural Arts Commission

Presented By: Emeline Noda, Director of Recreation & Community Services

Subject: Findings Required by AB 361 for the Continued Use of Teleconferencing for Meetings

SUMMARY

For the Parks, Recreation & Cultural Arts Commission to continue to have the option to meet via teleconference during the pandemic, AB 361 requires the Parks, Recreation & Cultural Arts Commission to make specific findings at least every thirty (30) days.

A special meeting vote is required prior to the next scheduled meeting in July due to AB 361 and must be scheduled prior to July 6, 2022. Request due to deferring the regular scheduled meeting for July 2022.

RECOMMENDATION

Make the following findings by a majority vote of the Parks, Recreation & Cultural Arts Commission:

1. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect; and,
2. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and,
3. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

BACKGROUND

Assembly Bill 361 (AB 361) was signed into law by the Governor on September 16, 2021. A portion of AB 361 enacted amendments to California Government Code section 54953 regarding teleconference meetings. Those amendments authorize local agencies, like the City, to continue to conduct meetings by teleconference during a Governor-proclaimed state of emergency provided that certain findings are made by the legislative body, and provided that certain procedural requirements are met regarding public access to the meetings.

A new requirement in AB 361 requires specific findings be reaffirmed at least every thirty (30) days in order for the Parks, Recreation & Cultural Arts Commission to continue to have the option for one (1) or more of its members to use teleconferencing.

DISCUSSION

Required Findings

The teleconference provisions in AB 361 may only be utilized as long as a Governor-proclaimed state of emergency remains active, or while state or local officials have recommended measures to promote social distancing. When either of those is the case (both are true at this time), then in order to continue to teleconference using the new provisions of AB 361, the Parks, Recreation & Cultural Arts Commission must make the following findings by majority vote every 30 days:

(A) The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and

(B) Either of the following circumstances exist:

(i) The state of emergency continues to directly impact the ability of the members to meet safely in person; or

(ii) State or local officials continue to impose or recommend measures to promote social distancing¹.

To comply with that requirement, the recommended action would have the Parks, Recreation & Cultural Arts Commission find each of the following:

a. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;

b. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and

c. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

The "Every 30 Days Thereafter" Requirement

As noted above, AB 361 findings must be made "no later than 30 days after teleconferencing for the first time pursuant to , and every 30 days thereafter..."

In order to preserve the option for the Parks, Recreation & Cultural Arts Commission or individual members of the Parks, Recreation & Cultural Arts Commission to participate in meetings during the pandemic via teleconference in the future, the Parks, Recreation & Cultural Arts Commission will have to adopt the required findings at least every 30 days.

Potential Consequence of Not Making the Findings Every 30 Days

AB 361 does not expressly state what happens if a legislative body fails to make the required findings "every 30 days." However, it expressly requires the timely re-approval of the findings "in order to continue to teleconference" in the manner that AB 361 authorizes.

As a result, if the Parks, Recreation & Cultural Arts Commission does not adopt the required findings every 30 days, then the Parks, Recreation & Cultural Arts Commission could be precluded from continuing to teleconference thereafter, perhaps even if the Parks, Recreation & Cultural Arts Commission was later willing to adopt the findings at a later date. For this reason, the City Attorney recommends that the , or otherwise be recognized for the purpose of providing public comment.

A "teleconference" occurs for purposes of AB 361 whenever one or more members of the Parks, Recreation & Cultural Arts Commission connect to a Parks, Recreation & Cultural Arts Commission meeting via electronic means. Thus, even if four members of the Parks, Recreation & Cultural Arts Commission meet in person, if the fifth joins the meeting via Zoom, the meeting will be a teleconference meeting that must be conducted in accordance with the requirements of AB 361.

For purposes of AB 361 "...state of emergency' means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act..." Cal. Gov't Code Sec. 54953(e)(4). Section 8265 of CESA in turn refers to a state of emergency proclaimed by the Governor Cal Gov't Code Sec. 54953(e)(3)
