Seniors of Distinction

Los Alamitos, CA – The Office of Congresswoman Michelle Steel accepted nominations for the Seniors of Distinction awards in the 45th Congressional District. The program focused on highlighting and honoring seniors who deserve to be recognized for their activity in the community and the legacy of service they have created. The City of Los Alamitos nominated two individuals: Dan and Janet Gallagher to receive the Seniors of Distinction Award.

The Gallaghers unselfishly serve in various non-profit and government capacities benefiting every sector of Los Alamitos. Dan and Janet make their presence felt throughout community by serving on the following groups: Los Alamitos Senior Club, Los Alamitos Senior Grocery Program, Los Alamitos Community Foundation, and the Los Alamitos Parks, Recreation and Cultural Arts Commission. The Gallaghers are a fine example of responsibility, resourcefulness, competence, determination, and love for the City.

The City of Los Alamitos honors Dan and Janet Gallagher as exemplary citizens, fully devoted to providing quality of life to the community and its residents of Los Alamitos.
