### **Veterans of Distinction**

*Los Alamitos, CA* – To commemorate Veterans Day, the Office of Congresswoman Michelle Steel accepted nominations for the Veterans of Distinction awards in the 45th Congressional District. The program focused on highlighting and honoring Veterans who deserve to be recognized for their activity in the community or the legacy of service they have created. The City of Los Alamitos nominated Bruce Murphy, Veteran of the United States Air Force and long-time Los Alamitos resident, for the award.

Bruce currently volunteers as a Traffic Commissioner for the City of Los Alamitos. He is an active volunteer in the community for St. Isidore Historical Plaza and St. Hedwig Catholic Church. He is also a volunteer at the Joint Forces Training Base in the Employer Support of the Guard and Reserve (ESGR) Center. This center helps those National Guardsmen who will be deployed or are already deployed or returning, know their rights to their previous job and the services available to them and their dependents.

The City of Los Alamitos honors Bruce Murphy for his service to our country and for his generous volunteerism to a greater cause in changing the lives of those in the Los Alamitos community.
