REBUTTAL ~~AGAINST MEASURE~~

Where is Council Member Dean Grose's support of the argument for this tax measure? Does he believe that inaccurate assumptions were in the argument put forward by the city? He voted to put the measure on the ballot but did not support the argument for. Wonder why? See Newsenterprise August 12 for details.**VOTE NO!**

VOTE NO! Increasing taxes without major spending reform is like signing up for more credit cards when you have a spending problem. We can save millions without raising taxes with these reforms:

> Replace the OC Fire Authority. Placentia did this and is expected to save 28 million over ten years

> Cap city employee salaries . Some are making over 200K

> Eliminate lifetime pensions. Enroll city employees in social security , 401 K and IRA plans like the private sector.

VOTE NO! With spending reform we will eliminate the need for extra taxes and have even more money for 911, neighborhood patrols, crime prevention, parks, sidewalks streets, senior and youth programs.

VOTE NO! Sales tax increase creates higher prices and hurts locally owned retailers and restaurants. People will shop in Cypress and other cities.

VOTE NO! on the sales tax measure , support spending reform and support the people and business in our great city.
