CANDIDATE ELIGIBILITY

To be eligible for candidacy for the office of City Council in the City of Los Alamitos, you must be a registered voter in the desired district. The Orange County Registrar of Voters will verify the registration of all prospective candidates before issuing Nomination papers.

APPOINTMENTS ARE RECOMMENDED

Appointments are highly recommended. They ensure ample time to review the filing requirements and answer any questions thoroughly. Walk-ins are welcome but be prepared to wait. Wait times will vary.

City Hall offices are open Monday through Thursday, 7:30 a.m. to 5:30 p.m., and are closed every Friday. The last day of Candidate filing is Friday, August 9, 2024, and City Hall is closed. If you would like to file on the last day, an appointment made at least 24 hours in advance is required. Appointments for Friday, August 9, 2024, will be limited to 10:00 a.m. to 2:00 p.m.

NOMINATION PAPERS

Nomination Papers are obtained from the City Clerk's Office, beginning at 7:30 a.m. on Monday, July 15, 2024, through 2:00 p.m. on Friday, August 9, 2024 (with an appointment). You are encouraged to file your nomination papers early to correct any possible errors or insufficiencies in the forms.

Following verification that you are a registered voter in the City of Los Alamitos and you reside in the desired District, your name will be typed onto the Nomination Paper, and the Nomination Paper will be signed by the City Clerk or her designee and issued to you for circulation.

Per State law, the City Council has implemented a filing fee of \$25 to be paid when Nomination Papers are filed. California Courts have ruled that we may not refuse to place a candidate's name on the ballot due to an inability to pay the filing fee. If the City Clerk cannot waive the fee after reviewing the financial documents, there is another alternative. Candidates may substitute four additional signatures for each one-dollar of the filing fee (100 additional signatures) in accordance with Elections Code Section 8106.

Listed below are key steps to follow in the circulation of a Nomination Paper:

Circulator

- You may circulate your own Nomination Paper, or any registered voter in the City of Los Alamitos may circulate it on your behalf. However, only one voter may circulate the Nomination Paper.
- The "Declaration of Circulator" on the back of the Nomination Paper must contain the dates between which the paper was circulated and the circulator's address and signature.
- All information contained in the "Declaration of Circulator" must be completed in the Circulator's own handwriting.

Signatures

- The Nomination Paper must contain at least 20 signatures but no more than 30 signatures of registered voters within your District in the City of Los Alamitos. A candidate will be disqualified if they have too many signatures or less than the 20 required signatures.
- You are urged to obtain the maximum of 30 signatures to ensure that you have the required amount in the event signatures are disqualified. A Nomination Paper containing more than 30 signatures will not be accepted.
- Each person signing the Nomination Paper must personally sign his/her name as it appears on the voter's affidavit of registration and print his/her name on the second line.
- Each person signing the Nomination Paper must personally print his/her address (street and number) in the space provided.
- A voter may sign as many Nomination Papers as seats are to be filled. In this election, there is only one seat per District.
- A candidate may sign his/her own Nomination Paper.

Affidavit of Nominee and Oath or Affirmation of Allegiance

The oath and signature are found on the last page of the Nomination Paper and must be completed in the presence of the City Clerk or her designee. If you are having a representative submit your nomination papers, the signature on the affidavit must be notarized.

The affidavit shall contain:

1. The candidate's name
2. Name of office sought
3. The candidate's name exactly as the candidate wants it to appear on the ballot
4. The candidate's ballot designation exactly as the candidate wants it to appear on the ballot
5. The candidate's residence address
6. Signature in the presence of the City Clerk or notarized affidavit

CANDIDACY WITHDRAWAL

A candidate may withdraw his/her candidacy after his/her Nomination Paper is filed with the City Clerk up to and including the last applicable day of filing on Thursday, August 8, 2024, at 5:30 p.m.

BALLOT DESIGNATIONS

Per Section 13107 of the California Elections Code, a candidate may, immediately, under his/her name on the ballot, place no more than three words designating the principal profession, vocation, or occupation of the candidate. The ballot designation shall be included on the Nomination Paper at the time it is submitted to the City Clerk. See the Elections Code and Secretary of State's regulations included in this handbook for more information.

If the City Clerk finds the ballot designation submitted by a candidate violates any of the restrictions set forth in the Elections Code, the City Clerk will notify the candidate by registered or certified mail, return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

The candidate shall, within three (3) days from the date of receipt of the notice, appear before the City Clerk and provide an alternate designation.

If the candidate fails to provide an alternate designation, no designation will appear after the candidate's name.

CHANGING BALLOT DESIGNATIONS

No ballot designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents except when specifically requested by the City Clerk to change an unacceptable designation.

BALLOT DESIGNATION WORKSHEET

Each candidate who submits a ballot designation shall file a Ballot Designation Worksheet that supports the candidate's use of that ballot designation. The Worksheet shall be in a format prescribed by the Secretary of State. The Ballot Designation Worksheet shall be filed with the City Clerk at the same time that the candidate files his or her Nomination Papers. If the candidate fails to file a Ballot Designation Worksheet, no designation shall appear under the candidate's name on the ballot.

ORDER OF CANDIDATES ON BALLOT

On Thursday, August 15, 2024 the Secretary of State's Office will conduct a random alphabetical drawing to determine the order in which qualified candidate names shall appear on the ballot for the election. Candidates will be notified of their ballot position after the random drawing occurs.

VOTE-BY-MAIL BALLOTS

In the County of Orange, all registered voters receive a vote-by-mail ballot. Residents may register online at the Orange County Registrar of Voters website, www.ocvote.gov.

The candidate shall also sign a release form of the candidate's most recent Federal income tax report. The statement of financial worth shall be submitted by the candidate together with his/her Candidate's Statement. POLITICAL REFORM ACT

(Forms Available online at <https://www.fppc.ca.gov/forms.html>)

All candidates for municipal office are subject to the provisions of the Political Reform Act of 1974, as amended. The Fair Political Practices Commission (FPPC) has been charged with carrying out the provisions of the Act. Candidates will be required to file several statements throughout the election period in compliance with the Political Reform Act.

FORM 700 – STATEMENT OF ECONOMIC INTERESTS

State law requires that all candidates file a Statement of Economic Interests (Form 700) with the City Clerk at the time Nomination Papers are filed. Form 700 contains detailed instructions for completing the statement. Please read the instructions carefully.

- You should check the box labeled “Candidate” and sign your name in ink on the first page of the form.
- Candidates are required to complete Schedules A-1, A-2, and B, disclosing investments and interest in real property held on the date of the filing.
- In addition, the completion of Schedules C, D, E, and F are required for disclosing income received during the 12 months prior to the date of filing.
- Should you have nothing to report, you may simply complete and file the cover page indicating “None – No reportable interests on any schedule.”
- Once this document is filed, it becomes a public record. The city clerk forwarded the original to the Fair Political Practices Commission, a copy is kept in the city's official records, and a redacted version is posted on the City's website.

CAMPAIGN DISCLOSURES

Disclosure Manual 2, provided by the Fair Political Practices Commission, contains pertinent information for both campaign candidates and committee treasurers. The full version of the Campaign Disclosure Manual 2 is available in its entirety online here: <https://www.fppc.ca.gov/learn/campaign-rules/campaign-disclosure-manuals.html#title2>

Please note that the Campaign Disclosure Manual 2 is current through November 1, 2023.

If you have any questions about a disclosure, you can obtain free advice from the Fair Political Practices Commission (FPPC), Technical Assistance Division, in Sacramento, at 1-866-275-3772. The FPPC's website address is www.fppc.ca.gov.

STATE CAMPAIGN CONTRIBUTION LIMITS

The City of Los Alamitos does not impose local limits on campaign contributions. As such, the state campaign contribution limit applies by default. No candidate may accept from a single source a campaign contribution totaling more than \$5,500.00. This limit does not apply to a candidate's contributions of the candidate's personal funds to the candidate's own campaign. Information on the state campaign contribution limits is available at <https://www.fppc.ca.gov/learn/campaign-rules/state-contribution-limits.html>

PRE-CAMPAIGN CANDIDATE INTENTION REQUIREMENTS – FORMS 501 & 410

If you plan to be a candidate for local office and you intend to receive contributions from others, or you plan to expend personal funds on your campaign, you must file the following forms:

FORM 501 – CANDIDATE INTENTION STATEMENT

For use by all "recipient committees" which receive \$2,000 or more in contributions in a calendar year.

File a Candidate Intention Statement, Form 501, with the City Clerk prior to solicitation or receipt of any contributions or expenditures of any personal funds used for the election (excluding expenditures for your Candidate Statement).

An incumbent candidate must file a separate Form 501 for each election, including re-election to the same office.

FORM 410 – STATEMENT OR ORGANIZATION (RECIPIENT COMMITTEE)

For use by all "recipient committees" which receive \$2,000 or more in contributions in a calendar year.

Candidate Committee names must include the Candidate's last name, office sought, and the year of the Election. Incumbents running for reelection must file an amended Form 410 to change the committee name to reflect the current election year. Forms submitted to the Secretary of State without the required information will be rejected.

A Statement of Organization, Form 410, must be filed within 10 days of receiving \$2,000 in contributions or within 24 hours if a committee qualified during the 16 days prior to an election. When filing Form 410, include a \$50 payment made payable to the Secretary of State.

File the original with ink signatures, one copy, and \$50 payment with the Secretary of State, Political Reform Division, 1500 – 11th Street, Room 495, Sacramento, CA 95814, and a copy with the City Clerk.

If your committee has not yet reached the \$2,000 threshold, mark the "not yet qualified" box. The \$50 fee to the Secretary of State is requested at this time but is not legally required until the group qualifies as a committee. Once the committee qualifies, you must file an amended Form 410 to report the date qualified.

The term "contribution" includes monetary payments, loans, and non-monetary goods or services.

A campaign bank account must be established at an office of a financial institution located in the State of California.

PAYMENT FOR CANDIDATE FILING FEE/CANDIDATE STATEMENT FEE

Payments from a candidate's personal funds for either the filing fee or the Candidate Statement fee are not reportable contributions or expenditures.

Payments for the filing fee and Candidate Statement fee from campaign funds continue to be reportable expenditures on Form 460, Schedule E; a third-party payment of these fees is an in-kind contribution and is reported on Form 460, Schedule C.

CAMPAIGN EXPENDITURE STATEMENTS (FORMS 460 & 470)

Candidates are required to file campaign expenditure statements, Form 460 and/or Form 470 during the course of the campaign.

FORM 460 – RECIPIENT COMMITTEE CAMPAIGN STATEMENT

For use by candidates who intend to raise or spend \$2,000 or more during the calendar year or by a candidate filing with one or more controlled committees.

Form 460 is to be filed three times during the election period. In each case the original is to be filed with the City Clerk's Office. Please refer to the schedule in your handbook for filing dates.

Semi-annual filings must be submitted every six months until the committee is terminated by the filing of another Form 410. Late filers are fined pursuant to State law.

FORM 470 – OFFICEHOLDER AND CANDIDATE CAMPAIGN STATEMENT

For use by candidates who do not have a Controlled Committee (see Manual 2 for definition of Controlled Committee) and who do not anticipate receiving contributions totaling \$2,000 or more or make expenditures of \$2,000 or more (excluding personal funds for any filing fee or statement of qualifications) during the calendar year.

If Form 470 is filed by September 26, 2024, no additional campaign statements need to be filed for the remainder of the year as long as total receipts remain less than \$2,000 and total expenditures remain less than \$2,000; however, within 48 hours of exceeding \$2,000 for either contributions or expenditures, Form 470 Supplement must be sent to the City Clerk as instructed on the form.

CAMPAIGNING

CALENDAR OF ELECTION EVENTS

A Calendar of Election Events is provided in the candidate handbook and provides deadlines for both the candidate and the City Clerk. The calendar also provides an overview of the election process.

PUBLIC INFORMATION RESUME

If you wish to provide information to those who might ask prior to the filing deadline when Candidate Statements become public information, a "Public Information Resume" form is included. This optional form will be used to respond to inquiries regarding candidates and, if requested, may be provided to the press.

CODE OF FAIR CAMPAIGN PRACTICES

The California Legislature encourages every candidate for public office in this State to subscribe to the Code of Fair Campaign Practices. State law provides that at the time candidates are issued Nomination Papers, the City Clerk or her designee shall also give the prospective candidate a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5 of the California Elections Code. Subscription to the Code is voluntary on the part of the candidate. If the candidate elects to subscribe

to the Code of Fair Campaign Practices, he/she shall complete the Code of Fair Campaign Practices form included in the candidate handbook and file it with the City Clerk or her designee at the time the Nomination Paper is filed.

Completed Code of Fair Campaign Practices will be retained by the City Clerk for public inspection until 30 days after the election.

POLITICAL SIGNS GUIDELINES

The Los Alamitos Municipal Code establishes regulations for the posting of political signs. A copy of these regulations is included in the candidate's packet. For obvious safety and liability reasons, political signs are not allowed in the public right-of-way.

POLITICAL ADVERTISEMENTS

Candidates are advised to consult Election Code Sections 20000-20009 regarding regulations pertaining to paid political advertisements and election endorsements.

MASS MAILING REQUIREMENTS

Section 84305 of the Government Code has been provided as required by the Election Code to inform each candidate of the laws regarding mass mailing of election literature. It is important that candidates and committees review these requirements prior to mailing campaign information.

BULK MAILING

Prior to sending any campaign material by bulk mail, contact the Post Office for regulations. The telephone number of the Los Alamitos Post Office is (562) 594-0286.

ELECTIONEERING

Per Section 18370 of the Elections Code: "No person, on Election Day, shall, within 100 feet of a polling place:

- a. Circulate an initiative, referendum, recall, or nomination petition, or any other petition.
- b. Solicit a vote or speak to a voter on the subject of marking a ballot.
- c. Place a sign relating to voters' qualifications or speak to a voter on the subject of his/her qualifications except as provided in Section 14240.

As used in this section, "100 feet from a polling place" shall mean a distance 100 feet from the room or rooms in which voters are signing the roster and casting ballots. Any person who violates any of the provisions of this section is guilty of a misdemeanor."

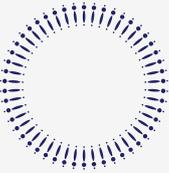

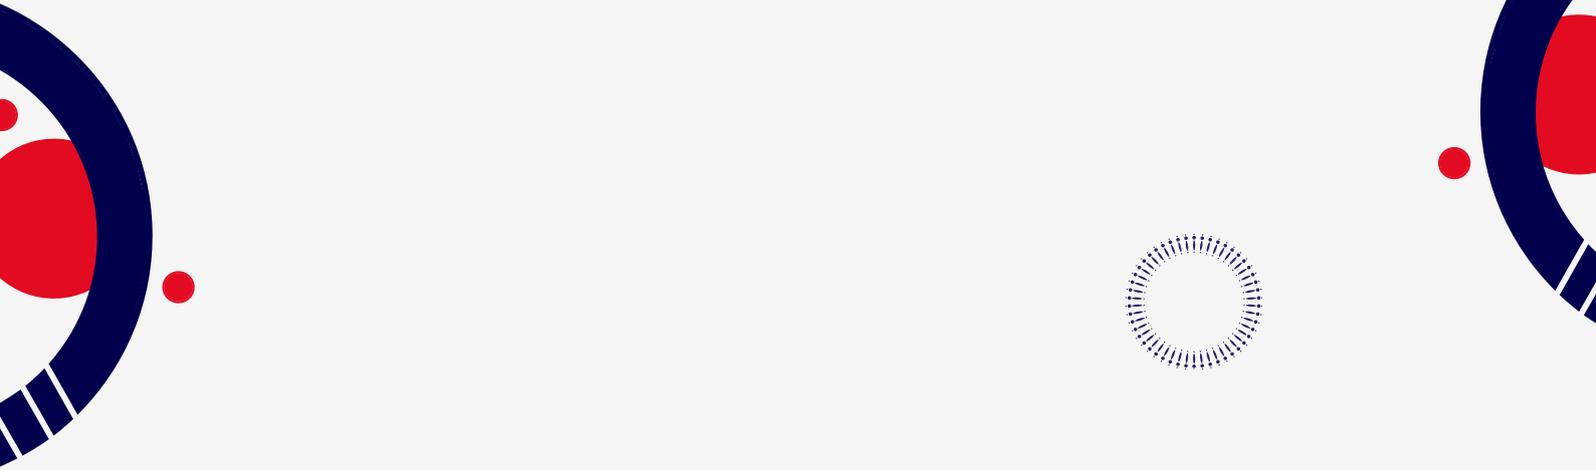

ELECTION NIGHT

Orange County uses a central location for tallying votes. All ballots are tabulated in the Registrar of Voters' Tally Center located at 1300 S. Grand Ave., Building C, Santa Ana.

The vote-counting procedure is open to public viewing. Unofficial results are available throughout the evening of the election in the Registrar of Voters' office beginning at approximately 8:05 p.m. and continuing until all precinct ballots have been tallied. Results may also be obtained by calling the Registrar of Voters' office at (714) 567-7600 or visiting the website at ocvote.com.

The annual statement will cover the day after you assumed office through December 31, 2024. (See Reference Pamphlet, page 6, for additional exceptions.)

File no later than the final filing date for the declaration of candidacy or nomination documents. A candidate statement is not required if you filed an assuming office or annual statement for the same jurisdiction within 60 days before filing a declaration of candidacy or other nomination documents.

Late Statements

There is no provision for filing deadline extensions unless the filer is serving in active military duty. (See page 19 for information on penalties and fines.)

Amendments

Statements may be amended at any time. You are only required to amend the schedule that needs to be revised. It is not necessary to amend the entire filed form. The amended schedule(s) is attached to your original filed statement. Obtain amendment schedules at www.fppc.ca.gov.

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2023, through December 31, 2023. If the period covered by the statement is different than January 1, 2023, through December 31, 2023, (for example, you assumed office between October 1, 2022, and December 31, 2022 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2023.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2023, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2023, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2022, and December 31, 2022, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2023.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
 - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the “other” box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

1. Office, Agency, or Court

<input checked="" type="checkbox"/> Multi-County Yuba & Sutter Counties	<input type="checkbox"/> County of _____
<input type="checkbox"/> City of _____	<input type="checkbox"/> Other _____

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2023 annual statement, **do not** change the pre-printed dates to reflect 2024. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2024, through December 31, 2024, will be disclosed on your statement filed in 2025. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the “No reportable interests” box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original “wet” signature unless filed with a secure electronic signature. (See page 3 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements.

When you sign your statement, you are stating, under penalty of perjury, that it is true and correct. Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

Instructions – Schedules A-1 and A-2 Investments

“Investment” means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency’s jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. (See Reference Pamphlet, page 13.)

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse’s or registered domestic partner’s business (See Reference Pamphlet, page 8, for the definition of “business entity.”)
- Your spouse’s or registered domestic partner’s investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. (See Reference Pamphlet, page 16, for more information on disclosing trusts.)
- Business trusts

You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. (See Reference Pamphlet, page 13.) (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Cryptocurrency
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)

Reminders

- Do you know your agency’s jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)
- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. (See second example below.)

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity. Do not use acronyms for the name of the business entity, unless it is one that is commonly understood by the public.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively. (See page 20 for more information.)
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

Frank Byrd holds a state agency position. Frank’s conflict of interest code requires full disclosure of investments. Frank must disclose stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by Frank’s spouse or registered domestic partner and dependent children.

Alice Lance is a city council member. Alice has a 4% interest, worth \$5,000, in a limited partnership located in the city. Alice must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

Instructions – Schedule A-2

Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 11, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 8.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 14, for information on procedures to request an exemption from disclosing privileged information.)

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 13.)

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are **not** required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 16.)
 - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold,

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the first and last name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

Instructions – Schedule C

Income, Loans, & Business Positions

(Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. (See Reference Pamphlet, page 11.) You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers – your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
- Income from a PERS retirement account.

(See Reference Pamphlet, page 12.)

To Complete Schedule C:

Part 1. Income Received/Business Position Disclosure

- Disclose the name and address of each source of income or each business entity with which you held a business position.
- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. (See Reference Pamphlet, page 8.) **Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.**
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Instructions – Schedule D Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

Reminders

- Gifts from a single source are subject to a \$590 limit in 2023. (See Reference Pamphlet, page 10.)
- Code filers – you only need to report gifts from reportable sources.

Gift Tracking Mobile Application

- FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without being claimed by you as a charitable contribution for tax purposes
- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

Instructions – Schedule E Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. (See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" to read about travel payments under section 89506(a).)

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a nonprofit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

Note: Certain travel payments may not be reportable if reported via email on Form 801 by your agency.

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
 - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$500 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

- **Travel payments are income** if you provided services that were equal to or greater in value than the

payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member MaryClaire Chandler is the chair of a 501(c)(6) trade association, and the association pays for MaryClaire's travel to attend its meetings. Because MaryClaire is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for MaryClaire to attend other events for which they are not providing services are likely considered gifts.

<input checked="" type="radio"/> Other - Provide Description <u>Travel reimbursement for board meeting.</u>	
▶ If Gift, Provide Travel Destination _____	

Note that the same payment from a 501(c)(3) would NOT be reportable.

Example:

Mayor Kim travels to China on a trip organized by China Silicon Valley Business Development, a California nonprofit, 501(c)(6) organization. The Chengdu Municipal People's Government pays for Mayor Kim's airfare and travel costs, as well as meals and lodging during the trip. The trip's agenda shows that the trip's purpose is to promote job creation and economic activity in China and in Silicon Valley, so the trip is reasonably related to a governmental purpose.

<input checked="" type="radio"/> Other - Provide Description <u>Travel reimbursement for trip to China.</u>	
▶ If Gift, Provide Travel Destination <u>Sichuan Sheng, China</u>	

Thus, Mayor Kim must report the gift of travel, but the gift is exempt from the gift limit. In this case, the travel payments are not subject to the gift limit because the source is a foreign government and because the travel is reasonably related to a governmental purpose. (Section 89506(a)(2).) Note that Mayor Kim could be disqualified from participating in or making decisions about The Chengdu Municipal People's Government for 12 months. Also note that if China Silicon Valley Business Development (a 501(c)(6) organization) paid for the travel costs rather than the governmental organization, the payments would be subject to the gift limits. (See the FPPC fact sheet, Limitations and Restrictions on Gifts, Honoraria, Travel and Loans, at www.fppc.ca.gov.)

Restrictions and Prohibitions

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their economic interests including personal assets and income. The Act's conflict of interest provisions also disqualify a public official from taking part in a governmental decision if it is reasonably foreseeable that the decision will have a material financial effect on these economic interests as well as the official's personal finances and those of immediate family. (Gov. Code Sections 87100 and 87103.) The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the Act's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. In 2023-2024, the gift limit increased to \$590 from a single source during a calendar year.

Additionally, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose. For example, a personal residence is often not reportable, but may be grounds for disqualification. Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest page at www.fppc.ca.gov.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. (See Reference Pamphlet, page 10.)

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. (See Reference Pamphlet, page 14.)

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

Questions and Answers

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.

On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.

- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may instead complete an expanded statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Disclose all reportable economic interests in all three jurisdictions on the expanded statement. File the expanded statement for your primary position providing an original “wet” signature unless filed with a secure electronic signature. (See page 3 above.) File copies of the expanded statement with the other two agencies as required by Regulation 18723.1(c). Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as “acting,” “interim,” or “alternate” must file as if they hold the position because they are or may be performing the duties of the position.

- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse’s income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse’s economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse’s income may not have to be reported. Contact the FPPC for more information.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of “doing business in the jurisdiction” is not limited to whether the business has an office or physical location in your jurisdiction. (See Reference Pamphlet, page 13.)
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.

Questions and Answers Continued

- Q. The value of my stock changed during the reporting period. How do I report the value of the stock?
- A. You are required to report the highest value that the stock reached during the reporting period. You may use your monthly statements to determine the highest value. You may also use the entity's website to determine the highest value. You are encouraged to keep a record of where you found the reported value. Note that for an assuming office statement, you must report the value of the stock on the date you assumed office.
- Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?
- A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.
- Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?
- A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.
- Q. On last year's filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?
- A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.
- Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?
- A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

Income Disclosure

- Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?
- A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.
- Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?
- A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at www.fppc.ca.gov. (See Reference Pamphlet, page 14.)

Questions and Answers Continued

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. (See Reference Pamphlet, page 8.)

Q. My spouse is a partner in a four-person firm where all of their business is based on their own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?

A. If your spouse's investment in the firm is 10% or greater, disclose 100% of your spouse's share of the business on Schedule A-2, Part 1 and 50% of your spouse's income on Schedule A-2, Parts 2 and 3. For example, a client of your spouse's must be a source of at least \$20,000 during the reporting period before the client's name is reported.

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. (See Reference Pamphlet, page 14.)

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?

A. No. Payments received on a loan made to a family member are not reportable.

Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?

A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?

A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.

Q. Must I report a home that I own as a personal residence for my daughter?

A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.

Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?

A. No. Simply being a co-signer on a loan for property does not create a reportable interest in that real property.

Questions and Answers Continued

Gift Disclosure

- Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?
- A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.
- Q. Julia and Jared Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2023 the gift limit was \$590, so the Bensons may have given the supervisor artwork valued at no more than \$1,080. The supervisor must identify Jared and Julia Benson as the sources of the gift.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.
- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.

CODE OF FAIR CAMPAIGN PRACTICES

California Elections Code §§ 20440 - 20444

Section 20400.

The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. *(Enacted by Stats. 1994, Ch. 920, Sec. 2.)*

Section 20420.

As used in this chapter, "Code" means the Code of Fair Campaign Practices. *(Enacted by Stats. 1994, Ch. 920, Sec. 2.)*

Section 20400.

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

Section 20442.

The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. *(Enacted by Stats. 1994, Ch. 920, Sec. 2.)*

Section 20443.

Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection. *(Enacted by Stats. 1994, Ch. 920, Sec. 2.)*

Section 20444.

In no event shall a candidate for public office be required to subscribe to or endorse the code. *(Enacted by Stats. 1994, Ch. 920, Sec. 2.)*

Required to be given to candidate. Optional to be signed and returned.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

(6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

CANDIDATE'S STATEMENT FORMATTING GUIDELINES

The Registrar of Voters office has a semi-automated system for voter information guide input/layout of Candidate's Statement of Qualifications. Due to the volume of statements and printing deadlines, it is necessary to have a standardized format for candidates' statements. We have prepared the following guidelines to assist candidates in the preparation of their statements.

1. The following paragraph styles are acceptable with this system.

INDENTED PARAGRAPHS:

Xxxxx xxxxx xxxxxxxxxxxx xxxxx xxxxx. X xxxx xx xxxxxxxxxxxx xxxxxxxxxxxx xxxxxxxxxxxx xxxxxxxx xxxxxxxxxxxx
xx xxx xxxxx. Xxx xxxxx xxxxxxxx xxxxx xx xx.

Xxxx xxxxxxxx xx x x xxxxxxxxxxxx x xxxxxxx xxxxx. Xxx xxxxxxx xxxxxxx xxxxx xx xxx xxxxx xxx xxxxxxx.
Xx xxxxx xxx.

BLOCK PARAGRAPHS:

Xxxxx xxxxxxx xxxxx. Xxxx x xx xxxx xxxxxxxxxxxx xxx. Xxxx xxx xxx xxxxxxxxxxxx. Xxxxxxx xx x xxxxxxx xx
xxx. X xxx xxxxx xxx x xx xxx. Xxx xxx xxx xxxxxxx xxxxx xxx.

Xxx xxxxxxx xxx. Xx xxx xxxxxxx xxxxxxx xxxxx. X xxx xxxxx xxxxxxx xxxxx xxx. Xxxxx xxxxxxxxxxxxxxxxxxx xx
xx
x xx xxx xxx. Xxx xxxxx xxxxxxxxxxx xxxxx xxx. Xxx xxxxx xxxxxxx xxxxxxx xxxxx.

DO NOT USE ANY PARAGRAPH/FORMAT STYLE OTHER THAN THOSE LISTED ABOVE.

2. All statements must be submitted on our form or typed or printed by automated equipment. **DO NOT PRINT ANY STATEMENT ON LINED PAPER.**

3. NOTE: Name, age, and occupation lines are not included in the word count. Only the text is counted. **The words reflected in the "Occupation" field must follow the ballot designation guidelines.**

4. Do not underline or **bold** WORDS; words may NOT be all CAPITAL letters. §13307

5. Do not use *italics* or different type styles or type sizes to highlight portions of the statement. §13307

6. A 200-word statement must fit on one quarter of a Voter Guide page. A 400-word statement must fit on a half page of a Voter Guide page. If your statement exceeds this limitation we will be forced to adjust your format to fit in the space allowed.

7. Do not use bullet points, stars, asterisks, or numbers that function as bullet points to off-set paragraphs. **Excessive number of paragraphs or block-indentation in a Candidate's Statement may cause the statement to not fit in the allotted space even though the word count hasn't exceeded the maximum number of words. If the statement does not fit into the box, you will be asked to edit your statement. Keep this in mind as you write and format your statement.**

8. You may block indent a paragraph as long as you do not use bullet points, stars, asterisks or numbers.

Use these general guidelines to assist you in the preparation of your statement. There are other requirements regarding the content of your statement that are outlined in your Candidate's Handbook.

CHECK YOUR STATEMENT CAREFULLY FOR ERRORS IN SPELLING, PUNCTUATION, AND GRAMMAR BEFORE FILING. WITH THE EXCEPTION OF THE FORMATTING REQUIREMENTS, YOUR STATEMENT WILL BE PRINTED EXACTLY AS SUBMITTED.

For your reference, the relevant provisions of Elections Code section 13107 are reproduced below:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people.

(2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(4) The phrase "appointed incumbent" if the candidate holds an office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) (1) Except as specified in paragraph (2), for candidates for judicial office, immediately under the name of each candidate, and not separated from the name by any line, only one of the following designations may appear at the option of the candidate:

(A) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.

(B) The word "incumbent" if the candidate is a candidate for the same office that he or she holds at the time of filing the nomination papers.

(C) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(2) For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:

(A) Words designating the actual job title, as defined by statute, charter, or other governing instrument.

(B) One of the following ballot designations: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(A) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words "City of."

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words "County of."

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words "City and County."

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of his or her principal professions shall use one of the following ballot designations as his or her ballot designation: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(e) The Secretary of State and any other elections official shall not accept a designation of which any of the following would be true:

- (1) It would mislead the voter.
- (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- (3) It abbreviates the word “retired” or places it following any word or words which it modifies.
- (4) It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
- (5) It uses the name of any political party, whether or not it has qualified for the ballot.
- (6) It uses a word or words referring to a racial, religious, or ethnic group.
- (7) It refers to any activity prohibited by law.

HISTORY

1. New section filed 1-14-98; operative 1-14-98 pursuant to Government Code section 11343.4(d) (Register 98, No. 3).

20714. Proposed Ballot Designations Submitted Pursuant to Elections Code Section 13107, Subdivision (a)(3).

Proposed ballot designations submitted pursuant to Elections Code Section 13107, subdivision (a)(3), shall be subject to the following provisions:

- (a) The terms "profession," "vocation," or "occupation," as those terms are used in Elections Code Section 13107, subdivision (a)(3), are defined as follows:
 - (1) "Profession" means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a "profession," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "attorney," "physician," "accountant," "architect," and "teacher."

- (2) "Vocation" means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a "vocation," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "minister," "priest," "mother," "father," "homemaker," "dependent care provider," "carpenter," "plumber," "electrician," and "cabinetmaker."
- (3) "Occupation" means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an "occupation," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "rancher," "restaurateur," "retail salesperson," "manual laborer," "construction worker," "computer manufacturing executive," "military pilot," "secretary," and "police officer."
- (b) "Principal," as that term is used in Elections Code Section 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term "principal" precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.
- (1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her "principal" professions, vocations or occupations if the candidate has maintained his or her license current as of the date he or she filed his or nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and the status of the candidate's license is active at the time he or she filed his or her nomination documents.
- (2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her "principal" professions, vocations or occupations if the candidate's licensure status is "inactive" at the time the candidate files his or her nomination document, or the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.
- (c) In order for a ballot designation submitted pursuant to Elections Code Section 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code Section 13107 and the regulations in this Chapter.
- (d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.
- (e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:
- (1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code Section 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

- (2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a "principal" profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.
- (3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."
- (f) Pursuant to Elections Code Section 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three-word limitation:
- (1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.
 - (2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.
 - (3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not "geographical names," as that term is used in Elections Code Section 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of "City of . . . ," "County of . . . ," or "City and County of . . ." Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include "Butte County Rural Fire District Captain," "Huntington Beach Unified School District President," and "South Bay Irrigation District Director."
 - (4) An acronym shall be counted as one word.

Examples of impermissible designations include "Former Congressman," "Ex-Senator," and "Former Educator."

 - (2) In evaluating a proposed ballot designation including the word "retired," the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term "retired":

 - (B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

If such a candidate did not voluntarily retire from public office, he or she may not use the word "retired" in his or her ballot designation.
- (4) A candidate may not use the word "retired" in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

California State Contribution Limits

(Effective January 1, 2021 - December 31, 2022)

The contribution limits are effective for elections held between January 1, 2021 and December 31, 2022. (Regulation 18545.) These limits do not apply to contributions made to elections in previous years. Such contributions are subject to the limits in place for that year see previous charts.

Legal Defense Funds

Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney's fees and other legal costs related to the proceeding for which the fund is created. (Section 85304; Regulation 18530.4.)

Recall Elections

A state officeholder and city or county officeholder subject to Section 85301 (d) who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (Section 85315; Regulation 18531.5.)

Ballot Measure Committees

Contributions to ballot measure committees controlled by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) are not limited.

Contributions from State Candidates and Candidates subject to Section 85301 (d)

A state candidate or candidate for elective city or county office subject to Section 85301 (d) may not contribute more than \$4,900 to a committee controlled by another state candidate or or candidate for elective city or county office subject to Section 85301 (d) (This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate's personal funds and from campaign funds. (Section 85305; Regulation 18535.) This limit does not apply to a committee controlled by a state candidate or a committee controlled by a candidate for elective city or county office subject to Section 85301 (d) to oppose his or her recall or their contributions made to a legal defense fund established by a candidate for elective state office or candidate for elective city or county office subject to Section 85301(d). It also does not apply to contributions made by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) to a ballot measure committee controlled by a another state candidate or candidate for elective city or county office subject to Section 85301 (d). Please note there are certain rules applicable to use of funds held by state officeholder committees (See Regulation 18531.62.)

Communications Identifying State Candidates

Any committee that makes a payment or a promise of payment totaling \$50,000 or more for a communication that:

1. Clearly identifies a state candidate; but
2. Does not expressly advocate the election or defeat of the candidate; and
3. Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than \$40,500 in a calendar year if the communication is made at the behest of the candidate featured in the communication. (Section 85310.)

Officeholder Committees

Officeholder contributions must be cumulated (in full) with any other contributions from the same contributor(s) for any other future elective state office or elective city or county office subject to Section 85301 (d) for which the officeholder maintains a controlled committee during the term of office in which the contribution is received. Contributions to candidates for future elections and to their officeholder account are cumulated for purposes of contribution limits. (Regulation 18531.62.)

Contributions from State Lobbyists

A state lobbyist may not contribute to a state officeholder's or candidate's committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election. The lobbyist also may not contribute to a local committee controlled by any such state candidate. (Section 85702; Regulation 18572.) In addition, effective January 1, 2015, lobbyists and lobbying firms may no longer take advantage of the \$500 or less home/office fundraiser exception that is available to other individuals and entities. (Section 82015(f).)

Local Elections

Many cities and counties have local contribution limits and other election rules. "Local Campaign Ordinances" are listed on the FPPC's website. Check with your city or county about contribution limits for local elections. A State campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates.

The FAQs listed below are selected from questions often asked about the Statement of Economic Interests (Form 700). Because it is not possible to address all of the unique variables and circumstances related to disclosure, individuals are encouraged to contact the FPPC with specific facts. Most officials must also consult their agency’s conflict of interest code to determine their disclosure level and their reportable interests. The Form 700 is a public document. Form 700s filed by State Legislators and Judges, members of the FPPC, County Supervisors, and City Council Members are available on the FPPC’s website.

General Questions

1. Q. Do officials have to complete all schedules of the Form 700?
 - A. Not necessarily. The majority of individuals who file the Form 700 must do so by following the rules set forth in their agency’s conflict of interest code (“designated employees”). Before completing the Form 700, an official should be familiar with the disclosure category for their position. For example, since job duties differ from agency to agency and even unit to unit within the same agency, an analyst for one agency, or unit of that agency, may not have the same reporting requirements as an analyst from another agency, or even another unit of the same agency. **Designated employees should obtain a copy of their agency’s conflict of interest code from the agency.**

Officials listed in Government Code Section 87200 (e.g., boards of supervisors, city council members, planning commissioners, elected state officials, etc.) must report investments, business positions, and sources of income, including receipt of gifts, loans, and travel payments, from sources located in or doing business in their agency’s jurisdiction. All interests in real property within the agency’s jurisdiction must also be reported. For local officials, real property located within two miles of the boundaries of the jurisdiction or any real property that the agency has an interest in is deemed to be “within the jurisdiction.”
2. Q. Is it necessary to read all of the information before completing the Form 700?
 - A. Each individual must verify the Form 700’s content under penalty of perjury. Therefore, every effort must be made to understand what the form requires. When necessary, you may contact the FPPC for specific guidance. You may only obtain immunity from a potential enforcement action when you receive formal written advice.
3. Q. Where are the Form 700s filed?
 - A. Most state and local officials file with their agency. In most instances, the agency is required to forward the originals for specified high-level officials to the FPPC. Only retired judges serving on assignment and legislative staff file the Form 700 *directly* with the FPPC.

4. Q. If the Form 700 is postmarked by the due date, is it considered filed on time?
 - A. Yes.
5. Q. If an official holds multiple positions subject to filing obligations, is a statement required for each position?
 - A. Yes. However, in some circumstances, such an official may file an expanded statement instead. The expanded statement must cover all reportable interests for all jurisdictions and list all positions for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.
6. Q. Do individuals need to file a complete Form 700 when they leave office?
 - A. Yes. The same requirements apply for the assuming office, the annual, and the leaving office filings.
7. Q. An individual is hired into a newly created management position in her agency's Information Technology Department. How does she complete the Form 700?
 - A. Because it is a newly created position, the law requires that economic interests be reported under the broadest disclosure category in the agency's conflict of interest code unless the agency sets interim disclosure that is tailored to the limited range of duties of the position. An individual may request that the agency complete the Form 804 (Agency Report of New Positions) to tailor the disclosure category to the job duties of the new position. Generally, the Form 700 must be filed with the agency within 30 days of the date of hire.
8. Q. Must board members of a non-profit public benefit corporation that operates California charter schools file Form 700?
 - A. Yes. Members of charter schools are public officials and must file the Form 700.

Income Questions

9. Q. Must an official report a spouse's or registered domestic partner's salary?
 - A. Generally an official is required to report their community property share (50%) of their spouse's or registered domestic partner's salary. The disclosure lists the employer's name as the source of income on Schedule C of the Form 700. If the spouse or registered domestic partner is self-employed, the business entity is reported on Schedule A-2. Officials should check their disclosure category, if applicable, to determine if the income is reportable. A spouse or registered domestic partner's government salary is not reportable (e.g., spouse is a teacher at a public school).
10. Q. If an official receives income as a gig worker for companies such as Uber, Lyft, DoorDash, Instacart, etc., is that income reportable on the Form 700?
 - A. Yes, this income is reportable if the source of income is doing business in the official's jurisdiction. If the official is an independent contractor of the company, the official will report the income on Schedule A-2. If the official is an employee of the company, the official will report the income on Schedule C.

11. Q. If an official and their spouse have a legally separate property agreement (e.g., prenuptial), must the official still report their community property share (50%) in their spouse's income?
- A. No. If there is a legally separate property agreement, the official is not required to report their community property share in their spouse's income so long as the funds are not commingled with community funds or used to pay for community expenses or to produce or enhance the official's separate income. This reporting exception does not apply to investments and interests in real property. Even if a public official and their spouse have a separate property agreement, the spouse's investments and interests in real property must still be disclosed because the definitions of reportable investments and interests in real property include those held by the official's immediate family (spouse, registered domestic partner, and dependent children). These definitions are not dependent on community property law.
12. Q. If an official owns a business in which he has received income of \$10,000 or more from a client, is the official required to disclose the client's name on Schedule A-2, Part 3?
- A. Yes, except for under rare circumstances where disclosure of the identity would violate a legally recognized privilege under California or federal law. In these cases, the FPPC may authorize an exemption. (Regulation 18740)
13. Q. When an official purchases a new car and trades in the old car as credit toward the purchase price, is the trade-in allowance considered reportable income on the Form 700?
- A. No. A trade-in allowance is not considered income and is not reportable on an official's Form 700. However, income received from the sale of an auto may be reportable.
14. Q. An official owns a rental property that they are required to report. The renter/tenant pays a property management company and the company deposits the funds into the official's checking account. Would the source of rental income be listed as the property management company or the person living at the residence who is paying the property management company?
- A. The source of the rental income is the person living at the residence (renter/tenant). The property management company does not need to be disclosed.

Investment Questions

15. Q. An official holds various stocks through an account managed by an investment firm. The account manager decides which stocks to purchase with no input from the official. Are the stocks subject to disclosure?
- A. Yes. Unless the stocks are in a diversified mutual fund registered with the SEC or in a fund similar to a diversified mutual fund (e.g., exchange traded fund (ETF)) if the similar fund meets the specific criteria outlined in Regulation 18237. Any investments worth \$2,000 or more in a business entity located in or doing business in the jurisdiction must be disclosed on Schedule A-1 or A-2 if the official's disclosure category requires that the investments be reported.
16. Q. Are funds invested in a retirement account required to be disclosed?
- A. Investments held in a government defined-benefit pension program plan (e.g., CalPERS) are not reportable. Investments held in a fund such as a defined contribution plan 401(k) or exchange traded fund (EFT) are not required to be disclosed if the fund meets the specific criteria outlined in Regulation 18237. An official may need to contact their account manager for assistance in determining what assets are held in the account.

17. Q. If an official reported stocks that were acquired last year on their annual Form 700, must the stocks be listed again on the official's next Form 700?
- A. Yes. Stocks that are worth \$2,000 or more during the reporting period must be reported every year that they are held. The "acquired" and "disposed" dates are only required if the stocks were acquired or disposed of during the period covered by the Form 700.
18. Q. How are interests in a living trust reported if the trust includes: (1) rental property in the official's jurisdiction; (2) a primary residence; and (3) investments in diversified mutual funds? Are there different disclosure rules?
- A. The name of the trust is reported, along with the rental property and its income, on Schedule A-2. The official's primary residence, if used exclusively as a personal residence, and investments in diversified mutual funds registered with the SEC, are not reportable. Although the official's primary residence is not required to be disclosed on the Form 700, it is still considered an economic interest for conflict of interest purposes. (See Question 18.) A secondary residence not used exclusively for personal purposes may be reportable. (See Question 19.)
19. Q. A Form 700 filer has a 10% or greater ownership interest in a company that provides uncompensated, pro-bono, or volunteer services within the filer's jurisdiction. Must this investment be disclosed on Schedule A-2 of the Form 700?
- A. Yes. An investment must be disclosed if there is any financial interest in a business entity that does business or plans to do business within the jurisdiction (See Government Code 82034). Although the services are uncompensated, "doing business in" is defined as having business contacts on a regular or substantial basis including providing services or goods (Regulation 18230).
20. Q. An official holds an investment (stocks, partnership, etc.) or receives income from a business entity. How is the name of the business entity reported?
- A. An official must report the full name of the business entity interest. Do not use acronyms for the name of the business entity unless it is one that is commonly understood by the public.

Real Property Questions

21. Q. Is an official's personal residence reportable?
- A. Generally, any personal residence occupied by an official or their family is not reportable if used exclusively as a personal residence. However, a residence for which a business deduction is claimed is reportable if the portion claimed as a tax deduction is valued at \$2,000 or more. In addition, any residence for which an official receives rental income is reportable if it is located in the jurisdiction.
22. Q. When an official is required to report interests in real property, is a secondary residence reportable?
- A. It depends. First, the residence must be located in the official's jurisdiction. If the secondary residence is located in the official's jurisdiction and rental income is received (including from a family member), the residence is reportable. However, if the residence is used exclusively for personal purposes and no rental income is received, it is not reportable. Although the secondary residence may not be reportable, it is still considered an economic interest for conflict of interest purposes.

23. Q. If a primary or secondary personal residence is required to be reported, is the street address required to be disclosed?
- A. No. The assessor's parcel number may be listed instead of the street address.

Enforcement Question

24. Q. What is the penalty for not filing the Form 700 on time or not reporting all required economic interests?
- A. A late fine of \$10 per day up to a maximum of \$100 may be assessed. If an individual does not pay a late fine, the matter may be referred to the Franchise Tax Board for collection. In addition, if a matter is referred to the FPCC's Enforcement Division for failure to file or failure to include all required economic interests, the fine may be substantially higher.

Gift/Travel Questions

25. Q. What is the gift limit for 2023-2024?
- A. **\$590:** This means that gifts from a single, reportable source, other than a lobbyist or lobbying firm (see below), may not exceed \$590 in a calendar year. For officials and employees who file the Form 700 under an agency's conflict of interest code ("designated employees"), this limit applies only if the official or employee would be required to report income or gifts from that source on the Form 700, as outlined in the "disclosure category" portion of the agency's conflict of interest code. For conflict of interest purposes, the gift must be under \$590 to avoid consideration under the conflict rules.

State Lobbyist & Lobbying Firm Limit:

\$10: State candidates, state elected officers, and state legislative officials may not accept gifts aggregating more than **\$10 in a calendar month that are made or arranged by a registered state lobbyist or lobbying firm.** The same rule applies to state agency officials, including members of state boards and commissions, if the lobbyist or firm is registered to lobby, or should be registered to lobby, the official's or employee's agency.

26. Q. During the year, an official received several gifts of meals from the same reportable source. Each meal was approximately \$35. Is the source reportable?
- A. Yes. Gifts from the same reportable source are aggregated, and the official must disclose the source when the total value of all meals reaches or exceeds \$50.
27. Q. How does an individual return a gift so that it is not reportable?
- A. Unused gifts that are returned to the donor or reimbursed within 30 days of receipt are not reportable. The recipient may also donate the unused item to a charity or a governmental agency within 30 days of receipt or acceptance so long as the donation is not claimed as a tax deduction. An individual may not, however, reimburse a charity for the value (or partial value) of a gift from another source, in order to not report the gift, unless the charity was the original source of the gift.

28. Q. Two people typically exchange gifts of similar value on birthdays. Are these items reportable?
- A. No. Gift exchanges with individuals, other than lobbyists, on birthdays, holidays, or similar occasions, are not reportable or subject to gift limits. The gifts exchanged must be similar in value.
29. Q. Must an official report gifts received from an individual whom the official is dating?
- A. No. Gifts of a personal nature exchanged because the individuals are in a bona fide dating relationship are not reportable or subject to gift limits. However, the official remains subject to the conflict of interest rules and some matters may require recusal from voting.
30. Q. If an official makes a speech related to national public policy and their spouse attends the dinner at the event, is the spouse's meal considered a gift to the official?
- A. Yes. The official's meal is not a reportable gift; however, their spouse's meal is a gift and reportable on the official's Form 700 if the value is \$50 or more.
31. Q. A vendor that does business with the agency provided entertainment tickets to the spouse of one of the agency members. Must the member report the tickets as gifts?
- A. Yes. Unless an exception applies, the tickets are a reportable gift. A gift to an official's spouse is a gift to the official when there is no established working, social, or similar relationship between the donor/vendor and the spouse or there is evidence to suggest that the donor had a purpose to influence the official.
32. Q. An agency received two free tickets to a concert from a local vendor. The agency has a policy governing the reporting of tickets and passes distributed to persons for use in ceremonial roles or other agency related activities. The agency had discretion to determine who in the agency received the tickets. Each ticket was valued at \$140. If the agency director used the tickets, how are they reported?
- A. Assuming the tickets meet the agency's policy as an appropriate use of public funds, the agency may report the tickets (worth \$280) on the Form 802 (Agency Report of Ceremonial Role Events and Ticket/Pass Distributions), which is a public record. The director does not need to report the tickets on the Form 700.
33. Q. An agency received a large box of chocolates as a holiday gift from a local merchant. It was addressed to the agency and not to a particular employee. Is there a reporting requirement?
- A. No. There is no reporting requirement if the value received by each agency employee is less than \$50.
34. Q. An agency official receives a gift basket specifically addressed to the official worth more than \$50 from a local merchant. Is there a reporting requirement?
- A. If the source of the gift basket is reportable by the official, the official must report the gift, even if they share the gift with other agency employees.

35. Q. Do prizes donated to a governmental agency by an outside source constitute gifts under the Act if they were received by city employees in a drawing conducted by the city for all city employees participating in the city's charitable food drive?
- A. Yes. The prizes are gifts if donated by an outside source and subject to the Act's limits and reporting requirements.
36. Q. An official won a scholarship in a raffle at a software update training class. The scholarship covered the cost of the class. All attendees, including other public officials and members of the public, were eligible to apply for the scholarship. Is the official required to report the scholarship as a gift?
- A. A scholarship received in a "bona fide" competition may be reported as income instead of a gift. Whether or not a competition or contest is "bona fide" depends on specific facts, such as the nature of the pool of contestants. Contact the FPPC for assistance.
37. Q. Is a ticket provided to an official for their admission to an event at which the official performs a ceremonial role or function on behalf of their agency reportable on the official's Form 700?
- A. No, so long as the organization holding the event provides the ticket and so long as the official's agency completes the Form 802 (Agency Report of Ceremonial Role Events and Ticket/Pass Distributions). The form will identify the official's name and explain the ceremonial function. (See Regulation 18942.3 for the definition of "ceremonial role.")
38. Q. An official makes an annual donation to an educational organization that has a 501(c)(3) tax-exempt status. The organization is holding a two-hour donor appreciation event, which will include wine, appetizers, and music. Free access to the event is being provided to all donors to the organization. Must the official report the event as a gift from the organization?
- A. Because free access to the event is offered to all of the organization's donors, without regard to official status, access to the event is not a reportable gift.
39. Q. Are frequent flyer miles reportable?
- A. No. Discounts received under an airline's frequent flyer program that are available to all members of the public are not required to be disclosed.

IMPORTANT NOTE: See Regulation 18950.1 for additional information on reporting travel payments. In some circumstances the agency may report the travel in lieu of the official reporting the travel.

40. Q. If a non-profit organization pays for an official to travel to a conference after receiving the funds to pay for the travel from corporate sponsors, specifically for the purpose of paying for the official's travel, is the non-profit organization or the corporate sponsors the source of the gift?
- A. The corporate sponsors are the source of the gift if the corporate sponsors donated funds specifically for the purpose of the official's travel. Thus, the benefit of the gift received by the official would be pro-rated among the donors. Each reportable donor would be subject to the gift limit and identified on the official's Form 700. The FPPC should be contacted for specific guidance to determine the true source of the travel payment.

41. Q. May an official accept travel, lodging and subsistence from a foreign sister city while representing the official's home city?
- A. Yes. If the travel and related lodging and subsistence is paid by a foreign government and is reasonably related to a legislative or governmental purpose, it is not subject to the gift limit. However, the payments must be disclosed as gifts on the Form 700 for this exception to apply. While in the foreign country, any personal excursions not paid for by the official must also be disclosed and are subject to the gift limit. If private entities make payments to the foreign government to cover the travel expenses, the gift limit will apply and travel payments will likely be prohibited. Please contact the FPPC for more information.
42. Q. An analyst for a state or local agency attends a training seminar on the new federal standards related to the agency's regulatory authority. If the analyst's travel payments are paid by the federal agency, must the analyst report the payment on the Form 700?
- A. No. A payment for travel and related per diem received from a government agency for education, training, or other inter-agency programs or purposes, is not considered a gift or income to the official who uses the payment.
43. Q. A state legislator and a planning commissioner were guest speakers at an association's event. Travel expenses were paid by the association, and the event was held in the United States. Is this reportable?
- A. Yes. The payment is reportable, but not subject to the gift limits. In general, an exception applies to payments for travel within the United States that are provided to attend a function where the official makes a speech. These payments are not limited, but are reportable as gifts. The rules require that the speech be reasonably related to a legislative or governmental purpose, or to an issue of state, national, or international public policy; and the travel payment must be limited to actual transportation and related lodging and subsistence the day immediately preceding, the day of, and the day immediately following the speech. (See Government Code Section 89506. Other rules may be applicable if this exception is not used.)
44. Q. An official serves as a board member for two organizations – one has a 501(c)(3) tax-exempt status and the other has a 501(c)(6) tax-exempt status. The organizations pay the official's travel expenses to attend board meetings. Must the official report these travel payments?
- A. Under the Act, travel payments provided to an official by a 501(c)(3) organization are exempt from the definition of "income" and therefore, not reportable. However, travel payments from other organizations, including a 501(c)(6) organization, are likely required to be reported. Designated employees must report such travel payment if the organization is reportable pursuant to the official's disclosure category in their agency's conflict of interest code.
45. Q. The local airport authority issues a certain number of airport parking cards to the County to allow the cardholders to use the parking facilities at the airport at no charge, provided the cardholder is on official business. Must the officials who use the parking cards report a gift on the Form 700?
- A. No. As long as the parking cards are used for official business only, the parking cards do not provide a personal benefit, so no gift is received. If a parking card is used for *personal* purposes, a gift must be reported.

Tickets to Non-Profit and Political Fundraisers Questions

46. Q. An official is offered a ticket from a 501(c)(3) organization to attend its fundraising event. The face value (price) of the ticket is \$500, and the ticket states that the tax deductible portion is \$350. If the official accepts the ticket, what must be reported?
- A. Nothing is required to be reported on the Form 700, so long as the ticket is provided directly by the 501(c)(3) organization for its own fundraising event and is used for the official's own attendance at the fundraiser. In this case, the ticket is deemed to have no value. The official may also accept a second ticket provided directly by the 501(c)(3) organization for their guest attending the event, without a reporting obligation by either the official or the guest.
47. Q. What if someone purchases a table at a non-profit fundraiser and offers an official a seat at the table?
- A. If another person or entity provides a ticket, it is a gift and subject to the gift limit. The value is the non-deductible portion on the ticket. If there is no declared face value, then the value is the pro-rata share of the food, catering service, entertainment, and any additional item provided as part of the event. The "no value" exception only applies if the official receives no more than two tickets for their own use directly from the 501(c)(3) organization and it is for the organization's fundraising event.
48. Q. A 501(c)(3) organization provides a ticket to an official for its fundraising event. The organization seats the official at a table purchased by a business entity. Does the official have to report the ticket?
- A. No. So long as the ticket is provided directly by the 501(c)(3) organization and is used for the official's own attendance at the fundraiser, the ticket is not reportable regardless of where the official is seated.
49. Q. An agency employee who holds a position designated in its agency's conflict of interest code receives a ticket to a fundraiser from a person not "of the type" listed in the agency's code. Is the agency employee required to report the value?
- A. No. A ticket or any other gift may be accepted under these circumstances without limit or reporting obligations. Agencies must ensure the conflict of interest code adequately addresses potential conflicts of interests but not be so overbroad as to include sources that are not related to the employee's official duties.
50. Q. An official receives a ticket to attend a political fundraiser held in Washington D.C. from a federal committee. Is the official required to disclose the ticket as a gift, and is it subject to the gift limit?
- A. No. The value of the ticket is not a gift, so long as the ticket is provided to the official directly by the committee holding the fundraiser and the official personally uses the ticket. (Regulation 18946.4.) Separate rules apply for travel provided to attend the fundraiser. Regulation 18950.3 covers issues on travel paid by or for a campaign committee.

51. Q. A political party committee is holding a political fundraiser at a golf course and a round of golf is included. If the committee provides an elected official a ticket, is the ticket reportable by the official?
- A. No, so long as the official uses the ticket for their own use. If someone other than the political party provides a ticket, the full cost of the ticket is a gift. The political party must report the total amount spent on the fundraiser on its campaign statement.
52. Q. If a business entity offers an official a ticket or a seat at a table that was purchased for a political fundraiser, what is the value?
- A. Because the ticket was not offered by the campaign committee holding the fundraiser, it is a gift to the official. The value is either the face value of the ticket or the pro-rata share of the food, catering services, entertainment, and any additional benefits provided to attendees.
53. Q. If an official attends an event that serves only appetizers and drinks, does the “drop-in” exception apply no matter how long the official stays or how many appetizers or drinks are consumed?
- A. No. The focus of the “drop-in” exception is on the official’s brief attendance and limited consumption, not on the nature of the event as a whole. If an official attends an event that serves only appetizers and drinks, the “drop-in” exception applies only if the official just “drops in” for a few minutes and consumes only a “de minimis” amount of appetizers and drinks. The “drop-in” exception does not automatically apply just because the event does not serve more than appetizers and drinks.
54. Q. An organization, which is not a 501(c)(3) organization, is holding a fundraiser at a professional sporting event. Tickets to this sporting event are sold out and it appears that tickets are only available at a substantially higher price than the face value amount of the ticket provided to the official by the organization. If the official attends the event, what is the value of the gift?
- A. The value is the face value amount on the ticket to the sporting event. This valuation rule applies to all tickets to such events that are not covered by a separate valuation exception, such as non-profit and political party fundraisers.
55. Q. An official receives a ticket to a fundraiser, and if accepted, the ticket will result in a reportable gift or a gift over the current gift limit. What are the options?
- A. The official may reimburse the entity or organization that provided the ticket for the amount over the gift limit. Alternatively, the official may pay down the value of the ticket to under the \$50 gift reporting threshold if the official does not want to disclose the ticket. Reimbursement and/or pay down must occur within 30 days of receipt of the ticket. A candidate or elected official may use campaign funds to make the reimbursement if the official’s attendance at the event is directly related to a political, legislative, or governmental purpose. A ticket that is not used and not given to another person is not considered a gift to the official and therefore is not reportable.

The FAQs listed below are selected from questions people frequently ask the FPPC about campaign-related activity under the Political Reform Act (“Act”). All efforts have been made to provide helpful, easy-to-understand, answers to common questions. Please note that this fact sheet cannot address all of the unique variables and circumstances related to campaign activity. For more information, see the FPPC’s campaign disclosure manuals or contact the FPPC with specific questions.

Getting Started Questions

1. Q. When must a committee file a Statement of Organization (Form 410) with the Secretary of State’s office?
 - A. The Form 410 is required to be filed within 10 days of raising \$2,000 or more, which is the threshold for qualifying as a committee.
2. Q. Is it possible for a committee to receive a committee ID number prior to meeting the \$2,000 threshold?
 - A. Yes. The Secretary of State will issue a committee ID number upon receipt of the Form 410, even if \$2,000 or more has not yet been raised. The “Not Yet Qualified” box should be marked and once the \$2,000 threshold is met, an amendment must be filed within 10 days to report the date the committee qualified.
3. Q. Is there a fee to register as a committee?
 - A. Yes. Committees are required to pay a \$50 fee to the Secretary of State within 15 days of filing the Form 410. In addition, a \$50 fee is required to be paid to the Secretary of State by January 15 of each year until the committee terminates.
4. Q. Who must be identified on the Form 410?
 - A. The name and contact information of the treasurer and principal officers, if any, must be provided, in addition to any candidate controlling the committee. If the committee will have an assistant treasurer, their contact information must be also included.
5. Q. Are there any specific accounting qualifications for someone to serve as a committee’s treasurer?
 - A. No. An individual must be at a minimum 18 years of age to serve as a committee’s treasurer. However, no individual should accept the position as a mere figurehead. To

adequately perform the duties, the treasurer must have a basic understanding of the campaign finance laws and the responsibilities of a committee treasurer.

6. Q. May a candidate serve as their own committee's treasurer?
- A. Yes.
7. Q. Who is considered the principal officer for a non-candidate controlled committee?
- A. The principal officer(s) is the individual or individuals responsible for approving the political activities of a committee, including: 1) authorizing the content of committee communications; 2) authorizing the committee's expenditures; and, 3) determining the committee's campaign strategy. The principal officer must ensure that accurate records are maintained and may be held liable for violations. A committee may have several principal officers. If there are more than three individuals serving as principal officers, only three must be identified on the Form 410. If no individual other than the treasurer is a principal officer, the treasurer must be identified as both the treasurer and the principal officer.
8. Q. After filing a Form 410, what is the next form required to be filed?
- A. Typically, the Form 497 (24-Hour Contribution Report) is the next required form. In fact, the Form 497 may be required to be filed *before* the Form 410 is required if the committee qualifies within the 90 days before the election or on the date of the election. During this period, a committee must file a Form 497 within 24 hours each time it receives contributions that total \$1,000 or more in the aggregate from a single source.
9. Q. What are the requirements for naming a candidate's committee or a committee primarily formed to support or oppose a ballot measure?
- A. For a candidate's campaign committee, the name must include the candidate's last name, office sought, and year of the election. For example, "Wallace for Supervisor 2022" or "Re-Elect Rosa in 2022 for Water Board" would meet the naming requirements.
- For a primarily formed ballot measure committee, the name must include:
- The measure's designation (e.g., Proposition 124; Measure BB);
 - The committee's position (support or oppose) on the measure;
 - If sponsored, the name(s) of the sponsor(s) (e.g., "sponsored by the Auto Dealers Association");
- For a comprehensive list of all committee naming requirements, see the Form 410 instructions.
10. Q. May a committee use an electronic recordkeeping system or are records required to be kept on paper?
- A. Electronic records are permitted so long as all of the required information is collected and recorded in a timely and uniform manner that ensures the information is accurate and reliable. Committees are responsible for ensuring that electronic records can be read and/or printed for auditing purposes during the required retention period – four years from the date the campaign statement was filed.

11. Q. Is a committee required to have a tax ID number?

- A. The FPPC does not require a tax ID number; however, some banks may require one in order to open a campaign bank account. A tax ID number may be requested through the Internal Revenue Service website, www.irs.gov.

Ballot Measure Committee Questions

12. Q. A group has raised \$2,000 to circulate petitions for a ballot measure. When does the group trigger reporting obligations?

- A. Reporting obligations begin when proponents start gathering signatures (initiative) or when a legislative body acts to place the proposal on the ballot (referendum). Certain contributions received and expenditures made are required to be disclosed even if they were received or made before the proposal became a measure. (See Campaign Disclosure Manual 3 for details.)

13. Q. May a candidate control a ballot measure committee? If so, is the candidate required to file a Form 501 (Candidate Intention Statement)?

- A. Yes, a candidate may control a ballot measure committee so long as the committee's funds are not used to support the candidate's election or to support or oppose other candidates. The candidate's last name must be included in the committee name and the Form 410 requires specified information to be disclosed related to the measure or measures for which the committee is formed. A Form 501 is not required.

14. Q. Are there any special reporting requirements for ballot measure committees controlled by a candidate?

- A. Ballot measure committees controlled by a **state** officeholder (e.g., Governor, legislator) or a candidate for elective **state** office have additional disclosure requirements when reporting expenditures. For each expenditure of \$100 or more, the committee must identify the measure or potential measure associated with the expenditure. For example, a payment to a campaign consultant for research or polling on a specific measure in a local jurisdiction could state: Research/polling for Measure B, City of Sacramento. A committee's expenditures for operating costs, administrative overhead, fundraising, travel, compliance costs and attorney fees do not require the itemization if the payment cannot be attributed to a specific measure or potential measure.

15. Q. During the 90 days before an election, a local primarily formed ballot measure committee for Measure A made a \$10,000 contribution to another primarily formed ballot measure committee for Measure A. Does this contribution trigger the filing of a 24-Hour Contribution Report (Form 497)?

- A. Yes, both committees are required to file a Form 497, even if they are both formed to support the same ballot measure.

16. Q. During the 90 days before an election, supporters of a ballot measure, in coordination with the primarily formed ballot measure committee, will be paying for phone banks. The payments will be considered nonmonetary contributions to the primarily formed ballot measure committee. Rather than file several reports, may the committee file one Form 497 estimating the value of all nonmonetary contributions anticipated to be received from this source during the 90-day period before the election and on the date of the election?

- A. Yes. The committee may make a good faith estimate of the value that will be contributed during the period. The Form 497 must be filed within 48 hours of receiving the initial \$1,000 in nonmonetary contributions. If the actual value differs from the estimated amount by 20 percent or more, an amendment must be filed within 24 hours of determining the correct amount.
17. Q. If a non-profit organization makes a contribution to a primarily formed ballot measure committee, what are the campaign reporting requirements for the non-profit organization?
- A. Depending on the amount of the contribution and several other factors, the organization may be required to register as a recipient committee and file campaign reports disclosing its donors or the organization may instead qualify as a major donor committee and be required to file the Form 461. To determine the applicable reporting requirements, see the detailed information in the [Multipurpose Organizations Reporting Political Spending fact sheet](#).

Fundraising Questions

18. Q. If a committee receives two monetary contributions of \$99 from one contributor, must the contributor be itemized?
- A. Yes. When a person's contributions, including monetary, nonmonetary, and loans, aggregate to \$100 or more in a calendar year, the contributor must be itemized on all applicable schedules of the Form 460.
19. Q. A committee is hosting a dinner fundraiser. The committee is charging \$100 per person, but the actual cost of the event to the committee will be \$25 per person. When a person purchases a ticket to attend, what amount is considered as the contribution received?
- A. The contribution received is \$100. The entire cost of the ticket for the fundraiser is the amount of the contribution – the actual costs to the committee are not subtracted from the ticket price.
20. Q. A committee is going to charge \$50 per person at their next fundraiser. May an attendee pay with a \$100 bill?
- A. No. Even if change is immediately provided, a committee may not accept \$100 or more in cash from a single source. The payment must be made by personal check, debit card, or credit card.
21. Q. Is volunteer work provided by some people considered a nonmonetary contribution because of the volunteer's profession, such as free legal advice provided by a lawyer or bookkeeping done by a CPA?
- A. No. Volunteer personal services, regardless of the profession of the individual, are not reportable, so long as the individual providing the services is not paid by a third party.
22. Q. An individual is hosting a fundraising event in their home for a friend who is running for city council. They will spend \$425 to provide tea, coffee, wine, cheese, and fruit. Is the amount they pay for the event considered a nonmonetary contribution to the candidate?

- A. No. So long as the individual hosting does not spend more than \$500, the event meets the home/office fundraiser exception. **Note:** The home/office fundraiser exception does not apply to a state lobbyist (or a cohabitant of a lobbyist) or a lobbying firm.
23. Q. May a private service, such as PayPal, be used to collect contributions electronically?
- A. Yes, so long as for each contribution of \$100 or more, (a) the service is able to provide the name of the contributor, and (b) the committee reports all the information needed to meet the statutory recordkeeping requirements, including the name, address, occupation, and employer of individual contributors of \$100 or more. Even if the company deducts a fee from the amount of the contribution, the entire amount of the contribution must be disclosed. The fees charged by the private service are reported as expenditures.
24. Q. May a committee accept a contribution in the form of bitcoin, a type of digital currency?
- A. Yes. Effective September 21, 2022, committees may solicit and accept contributions of cryptocurrency, or virtual currency, in any amount not exceeding any applicable contribution limit. Please note that committees cannot receive cryptocurrency contributions directly. Committees may receive these types of contributions through a payment processor selected to act as a vendor on behalf of the committee. Please see our [Cryptocurrency Contributions Fact Sheet](#) for more information on accepting these types of contributions.
25. Q. If a committee receives a contribution of \$100 from an individual, but the individual did not provide the required occupation and employer information, what should the committee do?
- A. The individual contributor should be contacted to obtain the occupation and employer information. If the committee is required to report the contribution before the information is received, the committee should indicate on its campaign statement that the information has been requested and the statement will be amended when the information is received. However, if an individual's occupation and employer information is not received within 60 days of receiving the contribution, the contribution must be returned.
26. Q. A business donated the use of an employee to work on two ballot measure campaigns during the month before the election. The employee spent a total of seven percent of their compensated time working on one measure and seven percent of their compensated time on the other measure. Since more than 10 percent of the employee's compensated time was not spent on a single campaign, is their compensated time required to be reported as a nonmonetary contribution to the ballot measure committees from their employer?
- A. Yes. If an employee spends more than 10 percent of their compensated time working on campaign activity (one or multiple campaigns) in a calendar month, a nonmonetary contribution from the business must be reported. In this situation, each ballot measure committee must report a nonmonetary contribution in the amount of seven percent of the employee's compensated time. The value of the nonmonetary contribution is based on the employee's gross salary; standard benefits (i.e., retirement and health care) do not need to be counted.

27. Q. If a committee receives a large contribution from an individual or entity, are there any special noticing requirements?
- A. Yes. Generally, if a committee receives a contribution of \$5,000 or more from an individual or entity, the committee must notify the contributor in writing *within two weeks* that they may need to file a major donor report. In the 90 days before an election, if a contribution of \$10,000 or more is received, the notification must be sent *within one week*. Language for the notice is found in the applicable campaign disclosure manual. An individual or entity qualifies as a major donor if contributions totaling \$10,000 or more are made in a calendar year to California (state and local) candidates and committees.

Expenditure Questions

28. Q. How does a committee report printing expenses of \$100 or more paid for with the committee's credit card?
- A. The name and address of the credit card company and the amount paid must be listed on Schedule E or F of the Form 460, and the printing vendor's name and address must be listed underneath with the amount paid to that vendor. Another example of "subvendor" reporting is when a campaign consultant purchases television advertisements, the names of the stations that air the advertisements must be listed. The campaign disclosure manuals contain examples of how to report subvendors on the Form 460.
29. Q. Is it permissible for a committee to have an agreement with an independent contractor (e.g., committee fundraiser) to pay additional money if fundraising goals are surpassed?
- A. Yes, under the Act, a contingency agreement may be made, such as a committee paying a bonus to a contractor if fundraising goals are met or a committee not paying a contractor unless a particular outcome is achieved. The arrangement should be made as part of a written contract. (Note that the Act strictly prohibits contingency fees to a lobbyist for the outcome of legislation or to a placement agent for securing an investment from a state retirement board.)
30. Q. Is it permissible to purchase gifts using campaign funds?
- A. Campaign funds may be used to purchase a gift only if the payment is *directly related* to a political, legislative, or governmental purpose. Detailed information on the permissible use of campaign funds may be found in the [campaign disclosure manuals](#). In addition, there are special reporting rules for candidate controlled committees when reporting expenditures for gifts, meals, and travel. (See Question #57 below.)

Communications Questions

31. Q. What are the disclosure requirements for a mass mailing sent by a candidate?
- A. When a candidate sends a mass mailing (more than 200 pieces of the same or similar mail in a calendar month), the words "paid for by" and the name and address of the candidate's committee must appear on the outside of the mailing in no less than six-point type and in a color that contrasts with the background. If two or more candidate controlled committees pay for the mailer, the name and address of at least one of the committees must be shown on the outside and the names and addresses of all committees must appear on at least one insert. The committee ID number is not required

to be included, but the FPPC recommends that committees include the committee ID number on all public campaign materials.

32. Q. If a committee has more than one address, may any of the addresses be used on mass mailings?
- A. Any address that is on the committee's Statement of Organization (Form 410) on file with the Secretary of State's office may be used.
33. Q. Are emails sent by a candidate's committee required to include an advertisement disclaimer statement?
- A. Yes. Mass mailings, including emails, must include a "paid for by" disclaimer (e.g., "Paid for by Jones for Supervisor 2022").
34. Q. How does a committee report payments made to a person to provide favorable or unfavorable content on an Internet site about a candidate or ballot measure?
- A. For each payment of \$100 or more, use the code "WEB" and report the amount of the payment, the payee, the name of the individual providing content, and the website name or URL on which the communication is published in the first instance.
35. Q. Does a candidate or committee incur reporting obligations if an unpaid blogger or other individual endorses their candidacy in their Internet communications?
- A. No. Uncompensated Internet activity, including blogging, social networking, sending or forwarding an email, or providing a link to a website, does not trigger a reporting obligation.
36. Q. Does the FPPC have a summary of the requirements for disclaimers on advertisements?
- A. Yes, a summary of the requirements, as well as charts for each type of committee are available [on the FPPC's website](#).

24-Hour Contribution (Form 497) Report Questions

37. Q. If a contribution of \$1,000 or more is made to one of a candidate's campaign committees (e.g., legal defense, ballot measure, past election), but not to the committee that is formed for the election triggering the 90-day reporting, are the candidate and/or the donor required to file a Form 497?
- A. Yes. When a candidate is in a 90-day reporting period, each contribution of \$1,000 or more to any of their committees requires the Form 497 to be filed by both the candidate and the donor.
38. Q. During the 90-day reporting period, must a candidate file a Form 497 if a contribution of \$500 is received by one of the candidate's campaign committees (e.g., legal defense, ballot measure, past election) and another contribution of \$500 from the same donor is received by the committee that is formed for the election triggering 90-day reporting?
- A. No. Because a single committee did not receive \$1,000 or more, the candidate is not required to file a Form 497. The donor is also not required to file a Form 497 as the donor did not make a contribution of \$1,000 or more to a single committee.

39. Q. A candidate received \$500 from a donor for the special primary election a few days before the election, and another \$500 from the same donor a few days after the primary election when the candidate moved to the special general election. Both contributions were received during the 90 days before the general election. Is a Form 497 required to be filed by the donor and/or the candidate?
- A. No. Because \$1,000 or more was not received in connection with one election, the Form 497 is not required to be filed.
40. Q. Must a candidate file a Form 497 if, during the 90 days before the election or on the date of the election, they make a contribution of \$1,000 or more from personal funds to their campaign?
- A. Yes. The candidate's personal funds are contributions and subject to reporting in the same manner as other contributions received.
41. Q. What are the 24-Hour Contribution Report (Form 497) requirements for contributions received by a political party committee?
- A. A political party must report each contribution of \$1,000 or more received within 90 days of **any** state election or on the date of a state election (including a special election). If the contributor is a committee, the contributor must also file the Form 497 within 24 hours.

Enforcement Question

42. Q. If a campaign statement is filed late, what are the potential consequences?
- A. The filing officer with whom the statement is required to be filed may assess a fine of up to \$10 for each day that the statement is late (or up to \$20 per day for a statement and a copy). In addition, filing officers are required by law to refer non-filers to an enforcement authority. If a matter is referred to the FPPC's Enforcement Division for failure to file, the fine may increase up to a maximum of \$5,000 per violation. In 2017, 149 committees were fined by the FPPC for failing to timely file campaign statements.

Candidate Questions

43. Q. When may a candidate begin to solicit and raise funds for an election?
- A. Upon filing a Candidate Intention Statement (Form 501), a candidate may begin to solicit and receive contributions. The Form 501 is considered filed when it is personally delivered or placed in the mail to the filing officer.
44. Q. Is a candidate required to file a Form 501 when running for reelection to the same office?
- A. Yes. A separate Form 501 is required for each election, including reelection to the same office. However, a new Form 501 is not required for the general election or special general election if the candidate filed a Form 501 for the connected primary or special primary election for the same office sought.
45. Q. If a candidate does not intend to raise any funds from others and will be spending personal funds only for the filing fee and ballot statement fee, is the candidate required to file a Form 501 and open a campaign bank account?

- A. No, the candidate is not required to file a Form 501 or open a bank account; only the Form 470 (Campaign Statement – Short Form) is required.
46. Q. If a candidate does not intend to raise funds from others, but will be spending \$2,000 or more of their personal funds on their campaign (in addition to the filing fees and ballot statement fees), is the candidate required to open a bank account?
- A. Yes. Even if a candidate does not raise funds from others, if they spend \$2,000 or more on the campaign (not counting personal funds spent on filing fees and ballot statement fees), they qualify as a committee and must open a campaign bank account. Campaign funds may not be commingled with personal funds.
47. Q. What are the rules related to a candidate spending personal funds on their own campaign?
- A. Except for payments for the filing fee, ballot statement fee, and \$50 Secretary of State annual committee fee, a candidate must deposit personal funds into the campaign bank account before making campaign expenditures, even if the candidate does not want to be reimbursed. Personal funds may be reported as loans or monetary contributions. Personal funds may not be commingled with campaign funds and campaign expenditures may not be made from a personal account.
48. Q. Prior to learning that it was not permitted, a candidate starting up their campaign used personal funds to pay for some campaign expenses. How is this reported on the Form 460?
- A. So that the activity is properly disclosed, the amount of personal funds used should be reported on Schedule A as a contribution and the expenditure is reported on Schedule E. If the candidate has not yet been reimbursed by the committee, the amount may be reported on Schedule F as an accrued expense. Non-disclosure of the payments is a violation of the Act. All future payments must be made from the campaign bank account; personal funds must be deposited into the account before making expenditures.
49. Q. May a campaign worker use personal funds to make campaign expenditures and be reimbursed by the committee?
- A. Yes. Anyone other than the candidate may use personal funds to make campaign expenditures, such as purchasing printing, and be reimbursed after providing a receipt or invoice to the campaign. However, if the campaign does not reimburse the individual who made the expenditure within 45 days, the committee must report the amount expended as a nonmonetary contribution received.
50. Q. What are the contribution limits for local elections?
- A. Pursuant to Assembly Bill 571 (Stats. 2019, Ch. 556, AB 571 Mullin), effective January 1, 2021 a state campaign contribution limit will by default apply to city and county candidates when the city or county has not already enacted a contribution limit on such candidates. The FPPC's website posts contribution limit charts. However, many local jurisdictions have adopted campaign finance ordinances that include contribution limits. Contact the city clerk or county elections office to determine if there are local contribution limits. The FPPC's website also posts local campaign ordinances.

51. Q. If a candidate occasionally uses their own personal vehicle to attend campaign events and meet with voters, is the use of the vehicle reportable even if the candidate does not want to be reimbursed for the mileage?
- A. Incidental use of a candidate's personal vehicle for campaign purposes is not considered a contribution or expenditure and is not reportable. However, if the use of the vehicle is directly related to a political, legislative or governmental purpose, and the candidate would like to be reimbursed by the committee, the reimbursement must be made at the rate approved by the Internal Revenue Service pursuant to Section 162 of the Internal Revenue Code.
52. Q. If a candidate makes long-distance calls using their home phone to request support from organizations statewide, may committee funds be used to pay the phone bill?
- A. Committee funds may be used for the campaign portion of the bill; however, the non-campaign portion must be paid with personal funds.
53. Q. If a candidate is defeated in a local election, may the leftover funds be used to run again in the next local election?
- A. Yes, if specified requirements are met. An unsuccessful candidate for a city or county office in a jurisdiction that has enacted a local contribution limit who plans to run for the *same office* in a future election must file a new Form 501 and an amended Form 410 **before** the funds become surplus. Leftover funds become surplus 90 days after an official leaves office (incumbents) or 90 days after the end of the post-election reporting period, whichever is later. The end of the post-election reporting is June 30 for elections held between January 1 and June 30, and December 31 for elections held between July 1 and December 31. (Note: Candidates for a city or county office in a jurisdiction that has enacted a local contribution limit should check with the local jurisdiction to determine if there is a local ordinance that does not allow a candidate to use the same committee for a future election.) A city or county candidate in a jurisdiction that *has not* enacted a local contribution limit who plans to run for the same office must file a new Form 501 and a new Form 410 as well as open a new bank account and transfer the funds to a new committee **before** the funds become surplus.
- An unsuccessful candidate who plans to run for a *different office* must file a new Form 501, a new Form 410, and open a new campaign bank account and transfer the funds **before** the funds become surplus as described above.
54. Q. If a candidate receives a refund for a filing fee after their committee has already been terminated, must the committee and bank account be reopened in order to accept the refund?
- A. No. Candidates are allowed to accept refunds from a governmental entity without reopening the committee and campaign bank account.
55. Q. If a candidate controls a ballot measure committee, must the ballot measure committee file a preelection statement when the candidate's committee is required to?
- A. Yes. If a candidate has multiple controlled committees, each of the committees are required to file on the dates the candidate is required to file preelection statements in connection with their election to office. (See Regulation 18405.)

56. Q. May a law enforcement officer, who is running for city council, wear their uniform at campaign events or when appearing in political advertisements for their campaign?
- A. The Political Reform Act does not contain restrictions related to a candidate wearing a law enforcement uniform; however, other laws may apply. The candidate should contact the District Attorney or City Attorney.
57. Q. What are the special reporting requirements for expenditures made by a candidate controlled committee when purchasing gifts, travel, and meals?
- A. Itemized expenditures made by a candidate controlled committee for gifts, meals, or travel, must be further explained in the "Description of Payment" column, whether or not an expenditure code is used, as described below.

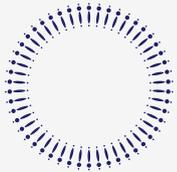

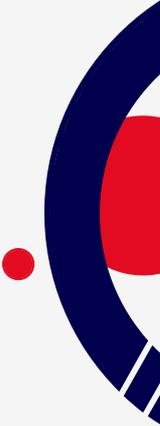

Gifts: Briefly describe the political, legislative, or governmental purpose of the expenditure, and provide the date of the gift and a description of the gift. If the gift was made to an individual recipient, the name of the recipient must be included. If a gift was made to a group of recipients, the name of each recipient who received a benefit of \$50 or more is required. When the recipient of a gift with a value of \$50 or more is not known at the time the payment is required to be reported, the committee must report that the gift was for an "undetermined recipient." Once the gift has been given to the recipient, the campaign statement must be amended within 45 calendar days to disclose the name of the recipient.

Meals: Briefly describe the political, legislative, or governmental purpose of the expenditure, and provide the date of the meal, the number of individuals who were present at the meal, and whether the candidate, a member of their household, or an individual with authority to approve expenditures of campaign funds was present at the meal. CALIFORNIA
FORM 410

Who Files

Recipient Committees: Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling \$2,000 or more in a calendar year to spend on California elections. They must register with the Secretary of State and report all receipts and expenditures. "Contributions" include monetary payments, loans and non-monetary goods and services received or made for a political purpose.

Candidates: The personal funds of a candidate or officeholder used to seek or hold elective office are contributions and count toward qualifying as a recipient committee. However, personal funds used to pay a candidate filing fee or a fee for the statement of qualifications to appear in the ballot pamphlet do not count toward the \$2,000 threshold.

Multipurpose Organizations: A nonprofit organization, federal or out-of-state PAC, or other multipurpose organization that makes contributions or expenditures in California elections may also be required to register as a recipient committee with the Secretary of State. See the Fact Sheet on Multipurpose Organizations Reporting Political Spending and the Supplemental Form 410 Instructions.

When to File

File this form within 10 days of receiving \$2,000 in contributions. Include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually no later than January 15. In addition to the \$50 fee, a penalty of \$150 may be assessed if payment is late.

For early submissions, mark the "not yet qualified" box. The \$50 fee is requested at this time but is not legally required until the committee qualification threshold has been met.

Where to File

All Committees: Form 410 with original ink signature(s)
Secretary of State
Political Reform Division
1500 11th Street, Rm 495
Sacramento, CA 95814

County & City

Committees: Also file a copy with the local filing officer who will receive the original campaign statements.

The committee's ID number will be posted at cal-access.sos.ca.gov. To receive an official, stamped copy of your approved Form 410, send a request, the original form, two copies of the form, and a self-addressed, stamped envelope, to the Secretary of State.

Amendments

When information contained in the committee's Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable). During the period 16 days before an election, file an amendment within 24 hours as described below.

24-Hour Reporting

In addition to the 10-day rule to file an original

Form 410:

- A recipient committee that qualifies during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements.
- A recipient committee that qualifies during the 90 days prior to an election or on the date of the election in which the committee makes independent expenditures of \$1,000 or more to support or oppose a candidate in that election must file the Form 410 within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements and with the filing officer(s) for the candidate(s) supported or opposed by the independent expenditure.
- If, during the 16 days prior to an election when a committee is required to file pre-election statements, a change occurs in the name of the committee, the treasurer or other principal officers, or the controlling candidate, an amendment must be filed with the filing officer receiving the committee's original campaign statements within 24 hours of the change.

These filings must be made by fax, guaranteed overnight delivery, personal delivery or online (if online filing is available).

Statement Type:

Initial

Mark the “Initial” box and enter the date the committee qualification threshold was met.

If the committee has not met the qualification threshold, mark the “Initial” and “Not Yet Qualified” boxes.

Qualification Threshold

The “date qualification threshold met” is the date the committee received contributions totaling \$2,000 or more during a calendar year.

Amendment

If any of the information reported on an initial statement of organization changes:

- Mark the amendment box;
- Include the committee’s ID number and name;
- Provide the changed information; and
- Complete the verification.

Candidates: Under certain circumstances, a candidate for local office may amend the Form 410 to indicate that he or she is seeking re-election to the same office. A candidate for state office must open a separate committee for each term of office and may not amend the Form 410 to redesignate an election committee.

Termination

List the committee’s name, identification number and indicate the date of termination, including completing the verification.

1. Committee Information:

Provide the full name of the committee. A committee may use only one name.

The committee’s street address, email address, and telephone number must be reported. A post office box is not acceptable. The committee’s mailing address must also be reported if it is different from the street address. A post office box is acceptable for the mailing address. A committee’s “domicile” is its address as listed on the Form 410. Los Angeles is the county of domicile for committees located outside California.

Identify the jurisdiction where the committee is active. For example a city committee lists the name of the city.

Committee Name Requirements

The following committee name rules apply to the Form 410, the committee’s campaign statements and to any other references to the committee required by law. See the instructions for Part 4 for committee definitions.

Candidate Controlled Committees: Any committee that is controlled by a state or local candidate or officeholder must include the last name of the candidate in the name of the committee. In addition, the following rules apply:

- An **election committee** controlled by one or more state or local candidates must also include the office the candidate(s) is seeking and the year of the election (e.g., Friends of Smith for Assembly 20XX, Jones for Council 20XX).
- An **officeholder committee** set up by a state officeholder must also include the office held, the year the officeholder was elected to the current term of office, and the words “Officeholder Account,” as part of the committee name (e.g., Anderson Assembly 20XX Officeholder Account).
- A **legal defense fund** set up by a state or local candidate or officeholder must also include the words “Legal Defense Fund” as part of the committee name (e.g., Senator Smith Legal Defense Fund).
- A **ballot measure committee** controlled by one or more state candidates must also state that it is a ballot measure committee (e.g., Senator Lee’s Ballot Measure Committee) prior to the designation of the ballot measure number. See additional requirements for primarily formed committees.

Sponsored Committees: A sponsored committee (including most political action committees) must include the full name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group.

Primarily Formed Committees

Ballot Measures: The name of each committee primarily formed to support or oppose a ballot measure must include:

- A statement identifying the ballot measure(s) number or letter and whether it supports or opposes the measure(s) (e.g., Committee For Proposition/Measure __ or Committee Against Proposition/Measure __).

Recalls: Each committee established for a recall election must include the name of the officeholder subject to the recall. If the committee is not controlled by the officeholder, the committee must state its support or opposition (e.g., Committee Opposing the Recall of Council Member Doe).

Supporting or Opposing a Candidate: The name of each committee primarily formed to support or oppose a state or local candidate(s) being voted on in a single election, other than a recall election, must include the last name of each candidate, the office sought, the year of the election and must state whether the committee supports or opposes the candidate(s) (e.g., Committee to Support Doe for Senate 20XX).

2. Treasurer and Other Principal Officers:

A committee may have only one treasurer and one assistant treasurer. A candidate may be his or her own treasurer or assistant treasurer. A committee may not accept a contribution or make an expenditure without a treasurer.

A committee that is not controlled by a candidate or officeholder must disclose the name, street address, and telephone number of the committee's principal officer(s). The principal officer(s) of a committee are the individual(s) primarily responsible for approving the political activity of the committee, including authorizing the content of communications, authorizing contributions and other expenditures, and determining strategy. If more than three individuals qualify as principal officers of the committee, identify no fewer than three.

If no individual other than the committee treasurer qualifies as a principal officer, identify that individual as both the treasurer and the principal officer. An attachment may be necessary.

3. Verification/Original Ink Signature(s):

The Form 410 filed with the Secretary of State must contain an original signature(s). The committee treasurer or assistant treasurer must sign the Form 410. Also, each controlling officeholder, candidate or state ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

Bank Account Information

- Qualified committees must list the name and address of the financial institution where the campaign bank account is located and the bank account number.
- Non-qualified committees are not required to list a bank account.

4. Type of Committee:

Controlled Committee

A "controlled committee" is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

"Proponents" of state measures are persons who request the Attorney General to prepare a title and summary of a state initiative, referendum, or measure.

Candidate Election Committee: Identify the candidate's last name, office, election year and party, if applicable.

Ballot Measure Committee Controlled by State

Candidate: Identify each measure on which the committee has spent or anticipates spending \$50,000 or more in the current two-year period, beginning with January 1 of an odd-numbered year. If the ballot designation has not been assigned, describe the purpose of the anticipated measure(s). Amend the Form 410 when a ballot designation is assigned. Provide this information in the primarily formed or general purpose section or on an attachment.

Legal Defense Committee: On an attachment, describe the specific legal dispute(s) for which the legal defense fund was established. The Form 410 must be amended within 10 days when legal disputes are either resolved or new disputes are initiated.

Primarily Formed Committee

A committee is "primarily formed" when it makes or initially plans to make more than 70% of its contributions and expenditures to support or oppose a specific candidate or measure, or a group of measures or specific local candidates all being voted upon in the same election on the same date. (FPPC Regulation 18247.5)

New committees: A new committee formed within six months of a statewide regular election or within 30 days of a state special election is presumed to be primarily formed if the committee makes at least \$25,000 in independent expenditures to support or oppose a state candidate or measure. Monthly review is required for other new committees that spend at least \$1,000 a month and were formed within six months of an election in connection with which the committee makes contributions or expenditures.

Quarterly review at the end of March, June, September and December is required for other committees.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

State ballot measures - qualification ID number: Certain committees must list in Section 4, Primarily Formed Committee, the Attorney General's Office assigned identification number to a proposed state ballot measure:

- A committee submitting the title and summary;
- A committee primarily formed for the measure; or
- A committee that spends \$100,000 or more on petition circulation for the measure.

Recall Committees: A committee supporting or opposing a recall must list "Recall [Officeholder's Name]," the office held by the recall target officeholder, and mark the appropriate box to indicate whether the committee supports or opposes the recall of the officeholder.

Instructions for Statement of Organization

General Purpose Committee

A committee is a “general purpose committee” if its principal activity is supporting or opposing a variety of candidates or measures voted on in different elections. (FPPC Regulation 18227.5)

- A **state committee** makes contributions or expenditures to support or oppose candidates or measures voted on in state elections, or in more than one county; it does not make over 70% of its contributions or expenditures in a single local jurisdiction. State contributions include contributions to other state general purpose committees. *All political party committees that meet the requirements as a political party pursuant to Elections Code Section 5100 (Government Code Section 85205) (including county central committees) are state committees.*
- A **county committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.
- A **city committee** makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

A city or county committee may make up to four contributions in a calendar year to candidates for elective state office whose districts are within the same jurisdiction and is not required to change its status to a state committee.

A committee that has made contributions or expenditures of \$5,000 or more during a quarter must review its activity at the end of March, June, September and December to determine if the committee is filing reports in the appropriate jurisdiction. During the first six months, a new committee must check its

jurisdictional status each month the committee makes expenditures of \$1,000 or more. If a change of filing locations occurs, reports must be filed in both the new and old jurisdiction through the calendar year.

After marking the appropriate state, county or city box, provide a brief description of the committee’s political activities such as whether it supports candidates or measures that share a common political affiliation.

Sponsored Committee

A “sponsored committee” is a general purpose or primarily formed committee, other than an officeholder or candidate controlled committee, that has one or more sponsors.

An organization, business, or other entity is a sponsor if one or more of the following apply:

- The committee receives 80% or more of its contributions from the entity or organization or its members, officers, employees, or shareholders.
- The entity or organization collects contributions for the committee by use of payroll deductions or dues from its members, officers or employees.
- The entity or organization, alone or in combination with other entities or organizations, provides all or nearly all of the administrative services for the committee.
- The entity or organization, alone or in combination with other entities or organizations, sets the policies for contribution solicitations or payment of expenditures from committee funds.

See the instructions for Part 1 for a sponsored committee’s name requirements.

Small Contributor Committee

A “small contributor committee” is one that has been in existence for more than six months;

receives contributions from 100 or more persons; makes contributions to five or more candidates; and has not received more than \$200 from one person in a calendar year.

5. Termination Requirements

Recipient committees may only terminate when:

- They have ceased to receive contributions and make expenditures; and
- They do not anticipate receiving contributions, repayments of outstanding loans made to others, or any other receipts in the future, and they do not anticipate making expenditures in the future; and
- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no funds; and
- They have filed all required campaign statements disclosing all reportable transactions, including disposition of funds.

State Candidates: There are mandatory termination deadlines applicable to your committees.

The Form 460 is also required if \$2,000 or more will be raised or spent during the calendar year at the behest of the officeholder or candidate.

Primarily Formed Ballot Measure Committees

- A person, entity, or organization that receives contributions totaling \$2,000 or more during a calendar year for the primary purpose of supporting or opposing the qualification, passage, or defeat of a single ballot measure or two or more measures being voted on in the same city, county, multi-county or state election.

Electronic Filing: State committees must file electronic reports with the Secretary of State if the committee receives contributions or makes expenditures totaling \$25,000 or more.

General Purpose Committees: FPPC regulation 18227.5 sets out the procedures for determining whether a committee should file with the state, county or city elections office. In general, such committees file with the Secretary of State unless the committee makes more than 70% of its contributions and expenditures in connection with a city election or county election. The regulation sets out review timelines and exceptions. A committee cannot knowingly file in an incorrect jurisdiction with the intention of avoiding the appropriate legal disclosure to the public. Committees that change jurisdictions file in both jurisdictions until the end of the calendar year.

LAFCO Proposals: Committees primarily formed to support or oppose a LAFCO proposal file this form with the county elections office in the county that the proposal may be voted upon. Once a proposal is listed on a ballot, a committee will file as a multi-county, county or city committee.

Statement of Organization: A committee must make certain that its Statement of Organization, Form 410, is current and correct. This form includes information such as a candidate's year of election and the name of the committee's principal officers as well as other important information regarding the committee's formation. Information listed on a Form 460 must be the same as that disclosed on the Form 410.

Instructions for Recipient Committee Campaign Statement – Cover Page

CALIFORNIA
FORM **460**

Period Covered by a Statement:

The “period covered” by a campaign statement begins the day after the closing date of the last campaign statement filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee’s first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a preelection statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is “controlled” if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Small Contributor Committees

- This term is significant only if the committee makes contributions to candidates running for elective state office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination.

Most officeholders must continue filing campaign statements until they have terminated all controlled committees and have left office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State, enter “Not Yet Received.” File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee’s Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

Instructions for Recipient Committee Campaign Statement – Cover Page

CALIFORNIA
FORM **460**

Officeholder or Candidate Controlled Committee:

Candidates must have a separate bank account and committee to run for different elective offices. A candidate who is required to file campaign statements in connection with more than one elective office but is only receiving contributions and making expenditures for one of the offices, may include both offices on one Form 460. In Part 5 of the cover page, enter the candidate's name and under "Office Sought or Held," identify each office, and state whether the candidate is seeking or holding the office. The Form 460 must be filed with the appropriate filing officer(s) for each office.

For example, a city councilmember is raising funds to run for the county board of supervisors. She has no committee and is not raising or spending funds in connection with the city office, and has formed a controlled committee for the county office. To comply with the requirements to file campaign statements for both her city office and her county candidacy, she may complete one Form 460 each campaign reporting period, which she will file with the city clerk and the county elections department. In Part 5 of the Form 460 Cover Page, under "Office Sought or Held," she will state that she is holding the office of city councilmember (including the name of the city) and that she is seeking a seat on the board of supervisors (including the name of the county).

Ballot Measure Committee:

Part 6 of the Form 460 Cover Page must be completed by committees that are primarily formed to support or oppose the qualification or passage of a single ballot measure or two or more measures being voted on in the same city, county, multicounty, or state election. A "general purpose" ballot measure committee (one that supports or opposes a variety of state and/or local ballot measures) is not required to complete Part 6.

Instructions for Summary Page Campaign Disclosure Statement

CALIFORNIA
FORM **460**

The Summary Page provides an overview of the committee's financial activities and is completed for each filing.

Column A reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

Column B figures should reflect the cumulative total since January 1 of the current calendar year.* Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A. If this is the first report being filed for a calendar year, only carry forward the amounts reported on Lines 2, 7, and 9 of Column B (if any) from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, F, and H, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. Consult the FPPC Campaign Disclosure Manual for your type of committee for additional information.

Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc. (Officeholders and candidates are subject to bank account restrictions, and all committees should read the FPPC Campaign Disclosure Manual regarding appropriate uses of campaign funds.)

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

If you are filing a termination statement, Line 16 must be zero.

Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column B of the Summary Page). Investments that can be readily converted to cash, such as certificates of deposit or money market funds, should be included in the cash on hand figures on Lines 12 and 16 of the Summary Page.

Summary for Primary and General Elections (Lines 20 and 21):

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both the state primary and general elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both the state primary and general elections.

Complete this summary on the preelection and semi-annual statements for the general election, covering periods during the last six months of the year (July 1 – December 31).

Expenditure Ceiling Summary for State Candidates (Line 22):

Candidates for elective state office who have accepted the voluntary expenditure ceiling for a particular election must disclose the total amount of expenditures made through the end of the reporting period that are subject to the expenditure ceiling for the election. Report the date of the election and total amount expended for that election. Report totals for the primary and general elections separately. This information is no longer required if the expenditure ceiling has been lifted. (See FPPC Campaign Disclosure Manual 1.)

Instructions for Schedule A Monetary Contributions Received

Report monetary contributions (except loans) received during the reporting period on Schedule A. Also report on Schedule A if a contributor forgives a loan for your committee or a third party pays a loan for your committee. Loans received during the period are reported on Schedule B. Certain transfers between a state candidate's controlled committees are also disclosed on Schedule A. (See FPPC Campaign Disclosure Manual 1.)

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.* Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule A Summary.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. (See the FPPC Campaign Disclosure Manuals for candidates and ballot measure committees.)

Date Received:

A monetary contribution has been received when the candidate or committee, or an agent of the candidate or committee, receives or obtains control of the check or other negotiable instrument. There are special rules for reporting the date contributions are received by a committee that collects contributions through employee payroll deductions

or membership dues and contributions received electronically (e.g., credit card, text).

Contributor Codes:

For each itemized contributor, check the applicable contributor code:

IND — contributions from any individual's personal funds.

COM — contributions from other committees that receive contributions. These committees will have an identification number assigned by the Secretary of State. Examples: political action committees, other candidates' committees. (State committees should use PTY or SCC when appropriate.)

OTH — business entities and other contributors.

PTY — contributions from political parties (including state and county central committees).

SCC — contributions from small contributor committees (applicable only to state candidates and committees).

Contributions from Individuals:

When itemizing a contribution from an individual, also disclose the contributor's occupation and the name of his or her employer. If the contributor is self-employed, provide the name of his or her business. If the contributor is not employed, enter "none."

It is not necessary to enter occupation and employer information for other types of contributors (such as business entities).

Missing Contributor Information: A contribution of \$100 or more must be returned to the contributor within 60 days if the recipient does not obtain the contributor's address, occupation and employer.

Contributions from Committees:

When itemizing a contribution from another recipient committee, disclose the identification number assigned to that committee by the Secretary of State in addition to its name and address. If no ID number has been assigned, provide the name and address of that committee's treasurer.

Intermediaries:

If you receive a contribution through an intermediary (i.e., you have received a contribution check from a person other than the true source of the funds), disclose all of the required information for both the intermediary and the actual contributor.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, prohibitions on cash contributions, returning contributions, and more.

Instructions for Schedule B – Part 1 Loans Received

All loans received or outstanding are reported on Schedule B. Loans include monetary loans and amounts drawn on lines of credit.

Report loan guarantors on Schedule B – Part 2. A “guarantor” is a third party that co-signs, endorses, or provides security for a loan, or establishes or provides security for a line of credit. A guarantor is also making a contribution.

When a state candidate guarantees a loan from a commercial lending institution in connection with his or her election, both the lending institution and the candidate are required to be disclosed as the lender.

For each loan of \$100 or more that was received or was outstanding during the reporting period, disclose the lender’s name and address. Report the original source of all loans received. E.g., for a loan from a commercial lending institution for which a candidate is personally liable, report the lending institution as the lender.

Column (a) – Enter the outstanding loan balance at the beginning of this period (Column (d) of last report). If the loan was received this period, this column will be blank.

Column (b) – Enter the amount received from the lender during this reporting period. If this loan was received in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. When the lender forgives a loan or a third party makes a payment on a loan, also report the lender or third party on Schedule A.

Column (d) – Enter the outstanding balance of the loan at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and the amount of interest paid on the loan(s) during this reporting period. Interest paid is reported separately from payments made on the loan principal. Interest payments are also transferred to the Schedule E Summary.

Column (f) – Enter the original amount of the loan and date received. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – Enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) received from the lender during the calendar year covered by this statement. Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Schedule B Summary:

The Schedule B Summary reflects the “net change” in your loan activity. That is, loan payments made during the period are subtracted from new loans received. When the loan payments number is larger than the amount of new loans received, Line 3 will be a negative figure. For example, if \$200 is paid during the period and only \$100 is received in new loans, report the net change on Line 3 as

“-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor codes
- Contributions from individuals
- Contributions from committees
- Intermediaries

A loan received from a commercial lending institution in the normal course of business is reportable on Schedule B but is not considered a contribution. Contributor codes and cumulative amounts (Column (g)) are required only for loans that are contributions.

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash contributions, returning contributions, and more.

Instructions for Schedule C Nonmonetary Contributions Received

Report the receipt of nonmonetary contributions on Schedule C.

Nonmonetary contributions include:

- Goods and services for which you have not paid the fair market value, including items donated for auctions or garage sales, such as artwork or furniture.
- A discount that is not available to the public generally.
- Salary payments made by an employer for an employee who spends 10% or more of his or her compensated time in a calendar month working for your committee.

Volunteer personal services and payments voluntarily made by a person for his or her own campaign-related travel expenses are not reportable. The occupant of a home or office can host a fundraiser without making a nonmonetary contribution as long as the total cost of the fundraiser is \$500 or less.

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year. Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule C Summary.

Date Received:

A nonmonetary contribution has been received on the earlier of the following: 1) the date the contributor made an expenditure for goods or services at your behest (in consultation or coordination with you, or at your request or suggestion); or 2) the date you or your agent obtained possession or control of the goods or services.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC Campaign Disclosure Manual 1.)

Fair Market Value:

The fair market value of a nonmonetary contribution is the amount it would cost to purchase the goods or services on the open market. The fair market value can be more than the amount it cost the contributor to provide the goods or services to you.

If you do not know the value of a nonmonetary contribution, you may request the contributor to provide you with a written statement of the value. If you make a request in writing and the value of the contribution is \$100 or more, the contributor is

required by law to provide the information.

Administrative Services:

Administrative overhead and start-up expenses paid by a sponsoring organization for its sponsored committee are not contributions to the committee but must be reported on Schedule C. Report the value of the services in the "Description of Goods or Services" column and a zero in the "Amount" and "Cumulative to Date" columns.

Nonmonetary Contributions as Expenditures:

The total of nonmonetary contributions is reported on the Summary Page as both contributions received and expenditures made. Enter the total on Line 3 of the Schedule C Summary on both Lines 4 and 10 of the Summary Page. (State Candidates: Most nonmonetary contributions also count for purposes of the voluntary expenditure limits.)

Additional Important Information:

Refer to the Instructions for Schedule A for important information about:

- Contributor codes
- Contributions from individuals
- Contributions from committees
- Intermediaries

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, and more.

**Instructions for
Schedule D
Summary of Expenditures Supporting/Opposing Other
Candidates, Measures, and Committees**

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose candidates and committees. These include:

- A direct monetary contribution or loan made to another candidate or committee.
- A payment made to a vendor for goods or services for a candidate or committee (a nonmonetary contribution).
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends 10% or more of his or her compensated time working for another candidate or committee.
- A payment made for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election, passage or defeat of a clearly identified candidate or ballot measure, but the payment is **not** made to—or at the behest of—the candidate or a ballot measure committee. These payments are “independent expenditures” and may trigger additional reports for your committee.

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, ballot measure, or a general purpose committee (e.g., a political party), disclose the name of the candidate and the office sought or held and the candidate’s district, if any, the number or letter and jurisdiction of the ballot measure, or the name of the general purpose committee. For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. For example,

if you made a contribution to the Committee Against Measure A, check the “Oppose” box.

Disclose the date(s) and amount(s) of contributions or independent expenditures made this period relative to each candidate, measure, or committee, and the cumulative amount contributed or paid to date relative to the candidate, measure, or committee since January 1 of the current calendar year. Cumulate contributions and independent expenditures separately.

Contributions and expenditures of less than \$100 to support or oppose a single candidate or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Schedule D Summary.

Per Election to Date:

If a contribution is made to a candidate that is subject to state contribution limits (or if required by local ordinance), disclose the total amount contributed to the committee in connection with each limitation cycle and identify the election year. The primary and general elections are separate elections. For example, a \$4,200 contribution to a candidate for the primary election in 2016 would be disclosed as “\$4,200 P-16.”

“Per Election to Date” Column	
Limitation Cycle	Year of Election
Primary P	2016 16
General G	2017 17
Special S	2018 18
Runoff R	2019 19

Description:

If you contributed goods on hand to another candidate or committee (e.g., office supplies), describe the goods or services in the “Description” column and disclose the fair market value of the contribution. The fair market value is the amount it would cost the recipient to purchase the goods or services. Because payments must be described when they are reported on Schedules E and F, you need not provide a description on Schedule D for payments reported on Schedules E or F that are nonmonetary contributions or independent expenditures.

Date of Contribution or Expenditure:

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted it to the candidate or committee. A nonmonetary contribution is made on the earlier of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee obtained possession or control of the goods or services.

Additional Important Information:

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash payments, restrictions on the use of campaign funds, and more.

Instructions for Schedule F Accrued Expenses (Unpaid Bills)

Report unpaid bills for goods or services on Schedule F.

If the amount owed to a single vendor is \$100 or more at the end of the reporting period, you must disclose the name and street address, city, state, and zip code of the payee or creditor and the amount incurred during the period that is outstanding at the end of the period (Column (b)). Continue reporting the accrued expense on each subsequent campaign statement until it is paid.

You are not required to report on Schedule F regular administrative overhead expenses, such as rent, utilities, phones, or employee salaries if you have not received a bill in the normal course of business or if the due date for the payment is after the closing date of the statement.

If you do not know the exact amount of a debt or obligation, provide an estimate. Once the exact amount is known, amend the estimated amount or note the correct amount on the next campaign statement.

Unpaid bills of less than \$100 at the end of the reporting period are added together and included in the total reported on Line 1 of the Schedule F Summary.

When accrued expenses are paid, the payments are reported on Schedule E. Also report the payment on Schedule F, Column (c).

Code or Description of Payment:

If one of the expenditure codes listed on Schedule F fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the goods or services instead.

There are special instructions on the back of the Schedule E Continuation Sheet for coding and describing nonmonetary contributions and independent expenditures to support/oppose other candidates, committees, and ballot measures.

Accrued expenses that are nonmonetary contributions and independent expenditures must also be summarized on Schedule D when incurred.

Disclose amounts owed to the agent or independent contractor on Schedule F. You may disclose the subvendor payments on Schedule F or Schedule G.

Forgiveness or Third Party Payment of an Accrued Expense:

If a creditor forgives or reduces an outstanding debt, or a third party pays a debt for you, report the transaction as follows:

Report payments made on your behalf during the reporting period by an agent or independent contractor (such as a campaign management firm or an advertising agency) on Schedule G.

Report expenditures of \$500 or more (other than expenditures for the agent's or independent contractor's overhead and normal operating expenses) made on your behalf during the reporting period.

Once a subvendor payment has been itemized on Schedule E, F, or G, it does not need to be itemized again. For example, if a subvendor payment is reported on Schedule F or G as part of an accrued expense, the subvendor information does not need to be reported again on subsequent reports.

Code or Description of Payment:

If one of the expenditure codes listed on Schedule G fully describes the payment, enter the code. A full description of each code is provided on the back of the Schedule E Continuation Sheet. If none of the codes fully explains the expenditure, enter a brief description of the payment instead.

Important: Officeholders and candidates may reimburse an agent or independent contractor for expenditures made on their behalf only if all of the following criteria are met:

- There is a written contract between the officeholder or candidate and the agent or independent contractor that provides for the reimbursement;
- The treasurer is provided with a dated receipt and written description of each expenditure prior to reimbursement; and
- Reimbursement is paid within 45 calendar days after the agent or independent contractor makes the expenditures.

Generally, if reimbursement is not paid within 45 calendar days, report the expenditure as a nonmonetary contribution on Schedule C.

Instructions for Schedule H Loans Made to Others

All loans made or outstanding are reported on Schedule H.

Generally, campaign funds may be used to make loans to other candidates, officeholders, or committees (unless otherwise prohibited) and to bona fide charitable, educational, civic, religious, or similar tax-exempt nonprofit organizations. There are restrictions on loans to any other person, including a candidate who controls the committee, or to a nonprofit organization that is affiliated with a candidate, the treasurer, or other committee officials.

For each loan of \$100 or more that was made or was outstanding during the reporting period, disclose the recipient's name and address and, if an individual, his/her occupation and employer or, if self employed, the name of the business.

Column (a) – Enter the outstanding loan balance at the beginning of this period (column (d) of last report.) If the loan was made this period, this column will be blank.

Column (b) – Enter the amount loaned to the recipient during this reporting period. If this loan was made in a previous reporting period, leave blank.

Column (c) – Enter the amount of any reduction of the loan during this reporting period. Check whether the loan was paid or forgiven. If the committee forgives a loan, also report the transaction on Schedule E.

Column (d) – Enter the outstanding balance of the loan(s) at the close of this reporting period. Enter the due date, if any.

Column (e) – Enter the interest rate and amount of interest received on the loan(s) during this reporting period. Interest received is reported separately from payments received on the loan principal. Interest payments are also transferred to the Schedule I Summary.

Column (f) – Enter the original amount of the loan and date made. If this is the first time you are reporting the loan, this will be the same amount reported in Column (b).

Column (g) – For each loan made during this reporting period that is a contribution,* enter the cumulative amount of contributions (loans, monetary and nonmonetary contributions) made to the recipient during the calendar year covered by the statement. If the recipient is a candidate subject to state contribution limits, or the information is required by local ordinance, also enter the total amount contributed to the candidate in connection with each limitation cycle and identify the election year. (For contributions to state candidates, see the Schedule D instructions.)

Schedule H Summary:

The Schedule H Summary reflects the “net change” in the committee’s loan activity. That is, repayments received are subtracted from new loans made. When the repayment number is larger than the amount of the new loans made, Line 3 will be a negative figure. For example, if \$200 is received by the committee during the period and only \$100 is made in new loans, report the net change on Line 3 as “-\$100” or “(\$100).” Be sure to carry this figure to the Summary Page as a negative figure to be subtracted from Summary Page totals.

Refer to the FPPC Campaign Disclosure Manual for your type of committee for important information about recordkeeping, prohibitions on cash contributions, loan restrictions, and more.

*Loans that are contributions to candidates or other committees must also be reported on Schedule D.

Officeholder and Candidate Campaign Statement — Short Form - AND - Form 470 Supplement

CALIFORNIA
FORM

470

Who Uses Form 470:

Form 470 is for use by officeholders and candidates who:

- do not have a controlled committee;
- do not anticipate receiving contributions totaling \$2,000 or more during the calendar year; and
- do not anticipate spending \$2,000 or more during the calendar year.

Officeholders and candidates who have a controlled committee or who have raised or spent \$2,000, file the Recipient Committee Statement – Form 460.

Exceptions:

The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or Form 460):

- candidates for county central committee offices that do not raise or spend \$2,000 or more in a calendar year;
- officeholders whose salaries are less than \$200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and
- judges who do not receive contributions and who make personal expenditures of less than \$1,000 or more in non-election years.

Period Covered:

The period covered is always the calendar year (January 1 through December 31).

\$2,000 Threshold:

To determine if \$2,000 has been raised or spent, or will be raised or spent, the candidate's personal funds for the filing fee or statement of qualifications are excluded.

A campaign bank account must be established if the candidate receives contributions from other persons.

When to File:

Ensure campaign deadlines are met. Go to www.fppc.ca.gov for campaign disclosure filing schedules.

If the Form 470 is filed in connection with an election, or on or before the filing deadline for the first campaign statement required for the calendar year, no additional campaign statements need to be filed for that calendar year as long as total contributions received remain less than \$2,000 and total expenditures made remain less than \$2,000. In most cases, July 31 is the filing deadline for the first campaign statement required to be filed by officeholders and candidates not being voted upon.

The Form 470 is filed in connection with an election if it is filed with the declaration of candidacy, or as a first preelection statement in connection with an election, covering the year of the election. If, after filing Form 470, receipts or expenditures reach \$2,000 or more, see the attached Form 470 Supplement for important reporting requirements.

Where to File:

State Elections:

State officeholders, state candidates, candidates and members of CalPERS and CalSTRS, judges and judicial candidates must file the original and one copy with:

Secretary of State
Political Reform Division
1500 11th Street, Room 495
Sacramento, CA 95814
Phone (916) 653-6224
Fax (916) 653-5045
www.sos.ca.gov

Additional Copies:

A copy of the Form 470 must also be filed with the candidate's county of domicile's filing officer. CalPERS and CalSTRS board candidates must file a copy of the Form 470 with the relevant CalPERS or CalSTRS office and not the candidate's county of domicile.

Local Elections:

- Elected officers and candidates for local multi-county agencies file an original and one copy with the elections official for the county with the largest number of registered voters in the district and one copy with the candidate's county of domicile.
- Elected county officeholders and candidates for county offices file an original and one copy with the elections official for that county.
- Elected city officeholders and candidates for city offices file an original and one copy with the city clerk.

Note: A local agency may impose additional requirements.

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment. Be sure to enter the calendar year covered by the statement you are amending and the date of election, if applicable.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the FPPC Campaign Disclosure Manual.

Amendments

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2023, through December 31, 2023. If the period covered by the statement is different than January 1, 2023, through December 31, 2023, (for example, you assumed office between October 1, 2022, and December 31, 2022 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2023.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2023, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2023, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2022, and December 31, 2022, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2023.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

I have used all reasonable diligence in preparing this statement. I have reviewed this statement and to the best of my knowledge the information contained herein and in any attached schedules is true and complete. I acknowledge this is a public document.

I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Date Signed (month, day, year)

Signature (File the originally signed paper statement with your filing official.)

Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
 - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the “other” box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2023 annual statement, **do not** change the pre-printed dates to reflect 2024. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2024, through December 31, 2024, will be disclosed on your statement filed in 2025. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

- Complete the Schedule Summary after you have reviewed each schedule to determine if you have reportable interests.
- Enter the total number of completed pages including the cover page and either check the box for each schedule you use to disclose interests; **or** if you have nothing to disclose on any schedule, check the “No reportable interests” box. Please **do not** attach any blank schedules.

Part 5. Verification

Complete the verification by signing the statement and entering the date signed. Each statement must have an original “wet” signature unless filed with a secure electronic signature. (See page 3 above.) All statements must be signed under penalty of perjury and be verified by the filer pursuant to Government Code Section 81004. See Regulation 18723.1(c) for filing instructions for copies of expanded statements.

When you sign your statement, you are stating, under penalty of perjury, that it is true and correct. Only the filer has authority to sign the statement. An unsigned statement is not considered filed and you may be subject to late filing penalties.

Instructions – Schedules A-1 and A-2 Investments

“Investment” means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency’s jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. (See Reference Pamphlet, page 13.)

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse’s or registered domestic partner’s business (See Reference Pamphlet, page 8, for the definition of “business entity.”)
- Your spouse’s or registered domestic partner’s investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. (See Reference Pamphlet, page 16, for more information on disclosing trusts.)
- Business trusts

You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. (See Reference Pamphlet, page 13.) (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Cryptocurrency
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)

Reminders

- Do you know your agency’s jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)
- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. (See second example below.)

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity. Do not use acronyms for the name of the business entity, unless it is one that is commonly understood by the public.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively. (See page 20 for more information.)
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

Frank Byrd holds a state agency position. Frank’s conflict of interest code requires full disclosure of investments. Frank must disclose stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by Frank’s spouse or registered domestic partner and dependent children.

Alice Lance is a city council member. Alice has a 4% interest, worth \$5,000, in a limited partnership located in the city. Alice must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

Instructions – Schedule A-2

Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 11, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 8.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 14, for information on procedures to request an exemption from disclosing privileged information.)

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 13.)

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are **not** required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 16.)
 - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold,

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the first and last name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

Instructions – Schedule C

Income, Loans, & Business Positions

(Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. (See Reference Pamphlet, page 11.) You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- Code filers – your disclosure categories may not require disclosure of all sources of income.
- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
- Income from a PERS retirement account.

(See Reference Pamphlet, page 12.)

To Complete Schedule C:

Part 1. Income Received/Business Position Disclosure

- Disclose the name and address of each source of income or each business entity with which you held a business position.
- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. (See Reference Pamphlet, page 8.) **Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.**
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Instructions – Schedule D Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

Reminders

- Gifts from a single source are subject to a \$590 limit in 2023. (See Reference Pamphlet, page 10.)
- Code filers – you only need to report gifts from reportable sources.

Gift Tracking Mobile Application

- FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without being claimed by you as a charitable contribution for tax purposes
- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

Instructions – Schedule E Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. (See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" to read about travel payments under section 89506(a).)

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a nonprofit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

Note: Certain travel payments may not be reportable if reported via email on Form 801 by your agency.

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
 - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$500 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

- **Travel payments are income** if you provided services that were equal to or greater in value than the

payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member MaryClaire Chandler is the chair of a 501(c)(6) trade association, and the association pays for MaryClaire's travel to attend its meetings. Because MaryClaire is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for MaryClaire to attend other events for which they are not providing services are likely considered gifts.

▶ If Gift, Provide Travel Destination _____	

Note that the same payment from a 501(c)(3) would NOT be reportable.

Example:

Mayor Kim travels to China on a trip organized by China Silicon Valley Business Development, a California nonprofit, 501(c)(6) organization. The Chengdu Municipal People's Government pays for Mayor Kim's airfare and travel costs, as well as meals and lodging during the trip. The trip's agenda shows that the trip's purpose is to promote job creation and economic activity in China and in Silicon Valley, so the trip is reasonably related to a governmental purpose.

Thus, Mayor Kim must report the gift of travel, but the gift is exempt from the gift limit. In this case, the travel payments are not subject to the gift limit because the source is a foreign government and because the travel is reasonably related to a governmental purpose. (Section 89506(a)(2).) Note that Mayor Kim could be disqualified from participating in or making decisions about The Chengdu Municipal People's Government for 12 months. Also note that if China Silicon Valley Business Development (a 501(c)(6) organization) paid for the travel costs rather than the governmental organization, the payments would be subject to the gift limits. (See the FPPC fact sheet, Limitations and Restrictions on Gifts, Honoraria, Travel and Loans, at www.fppc.ca.gov.)

Restrictions and Prohibitions

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their economic interests including personal assets and income. The Act's conflict of interest provisions also disqualify a public official from taking part in a governmental decision if it is reasonably foreseeable that the decision will have a material financial effect on these economic interests as well as the official's personal finances and those of immediate family. (Gov. Code Sections 87100 and 87103.) The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the Act's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. In 2023-2024, the gift limit increased to \$590 from a single source during a calendar year.

Additionally, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose. For example, a personal residence is often not reportable, but may be grounds for disqualification. Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest page at www.fppc.ca.gov.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. (See Reference Pamphlet, page 10.)

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. (See Reference Pamphlet, page 14.)

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

Questions and Answers

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.

On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.

- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may instead complete an expanded statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Disclose all reportable economic interests in all three jurisdictions on the expanded statement. File the expanded statement for your primary position providing an original “wet” signature unless filed with a secure electronic signature. (See page 3 above.) File copies of the expanded statement with the other two agencies as required by Regulation 18723.1(c). Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as “acting,” “interim,” or “alternate” must file as if they hold the position because they are or may be performing the duties of the position.

- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse’s income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse’s economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse’s income may not have to be reported. Contact the FPPC for more information.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of “doing business in the jurisdiction” is not limited to whether the business has an office or physical location in your jurisdiction. (See Reference Pamphlet, page 13.)
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.

Questions and Answers Continued

- Q. The value of my stock changed during the reporting period. How do I report the value of the stock?
- A. You are required to report the highest value that the stock reached during the reporting period. You may use your monthly statements to determine the highest value. You may also use the entity's website to determine the highest value. You are encouraged to keep a record of where you found the reported value. Note that for an assuming office statement, you must report the value of the stock on the date you assumed office.
- Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?
- A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.
- Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?
- A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.
- Q. On last year's filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?
- A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.
- Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?
- A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

Income Disclosure

- Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?
- A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.
- Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?
- A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at www.fppc.ca.gov. (See Reference Pamphlet, page 14.)

Questions and Answers Continued

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. (See Reference Pamphlet, page 8.)

Q. My spouse is a partner in a four-person firm where all of their business is based on their own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?

A. If your spouse's investment in the firm is 10% or greater, disclose 100% of your spouse's share of the business on Schedule A-2, Part 1 and 50% of your spouse's income on Schedule A-2, Parts 2 and 3. For example, a client of your spouse's must be a source of at least \$20,000 during the reporting period before the client's name is reported.

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. (See Reference Pamphlet, page 14.)

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?

A. No. Payments received on a loan made to a family member are not reportable.

Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?

A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?

A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.

Q. Must I report a home that I own as a personal residence for my daughter?

A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.

Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?

A. No. Simply being a co-signer on a loan for property does not create a reportable interest in that real property.

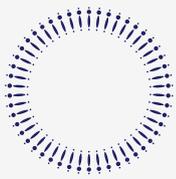

Questions and Answers Continued

Gift Disclosure

- Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?
- A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.
- Q. Julia and Jared Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2023 the gift limit was \$590, so the Bensons may have given the supervisor artwork valued at no more than \$1,080. The supervisor must identify Jared and Julia Benson as the sources of the gift.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.
- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.

LOS ALAMITOS

Information

A History of Los Alamitos

In 1896 ex-Senator William Clark of Montana purchased 8,139 acres of rancho land for raising sugar beets. He planned the township of Los Alamitos, built the first sugar refinery in Southern California, constructed housing and recreation buildings for workers, and guaranteed to purchase all the sugar beets that could be raised in the surrounding 70 square miles of territory during the next five years. Practically all the land between what is now Lakewood and the Santa Ana River became one vast field of sugar beets.

The township of Los Alamitos had already begun, the first school was built in 1881 at what is now Katella and Los Alamitos Boulevard. Most of the workers in the fields were Mexican, but many immigrants from Belgium, France and Germany came here to work and establish their own farms and businesses. When nematodes (burrowing insects that fed on the roots of the plants) destroyed the sugar beet industry, the sugar refinery was closed and eventually leased in 1921 to Dr. Ross, who used it to process wild horsemeat into dog food. The 1929 depression, followed by damage caused by the 1933 earthquake, ruined this enterprise. Dr. Ross died a pauper, and eventually the mill was torn down.

While the sugar mill was prospering, Los Alamitos had become a throw-back to the typical Wild West town. Reagan Street was the principal thoroughfare until Los Alamitos Boulevard was black topped in 1921. There were two hotels in town, and reportedly an average of two shootings or stabbings every weekend. Katella was a country road that led to the entrance of a farm on the edge of Coyote Creek. It was named after the two daughters of the farmer, "Kate" and "Ella," who were well into their eighties, and proudly present when "their" road was named and dedicated.

Following Pearl Harbor the U. S. Navy moved its training field for aircraft from Terminal Island to Los Alamitos, where a 1,300-acre tract was commissioned. Here, Navy and Marine fliers were trained, as well as fliers from Australia, New Zealand, England, Free France, Poland and Norway. Its presence revitalized the sleepy country town of Los Alamitos, bringing new settlers and businesses to the area. When the war ended, the air base was used as a reserve training field for military fliers, operated under control of the Navy. It was reactivated during the Korean and Vietnam conflicts, following which the Navy turned it over to the California National Guard, which currently uses it as a reserve training center for all branches of the military, and personnel.

On March 1, 1960, the township of Los Alamitos became a chartered city. Since then it has advanced both as a residential and business community.

A History of Los Alamitos

The Puvu Indians, a branch of the Shoshones, lived in what is now the Southern California basin. There are indications they had lived here some 3,000 years or more. When the expedition of Spaniards, led by Gaspar De Portola, arrived to explore and colonize Northern California in 1769, they found the land marked by many Indian villages, or “rancherias,” containing from 500 to 1500 huts, in what is now Los Angeles and Orange Counties.

The Portola expedition consisted of colonists to settle in selected pueblos or towns, missionaries to convert the natives and prepare them to become “civilized” enough to assume control of the land which the missions held in trust for the Indians, and soldiers to establish military strong points or “presidios” to protect both groups, as well as to keep foreign interests such as Russia or England from invading lands claimed by Spain.

The noble intention of holding the land in trust for the Indians ended in 1784 when Governor Fages, an original member of the expedition, made vast grants of lands to two of his former soldier companions, Sergeants Dominguez and Nieto. The Nieto Grant consisted of the lands lying between the Santa Ana and San Gabriel Rivers, extending from the ocean to the foothills of the San Gabriel Mountains. This huge landmass is now occupied by most of the cities in Los Angeles County and northern Orange County.

Upon the death of Don Manuel Nieto, the Grant was divided into five large ranchos and divided among his children. The two ranchos most familiar to us are Los Cerritos (The Little Hills), located in northwest Long Beach and Los Alamitos (The Little Cottonwoods), with its ranch house atop the hill at the south end of Palo Verde Avenue, also in Long Beach.

Los Alamitos contained six square leagues, or 85,000 acres of rangeland. Granted to son Juan Jose Nieto, he soon sold the property to then-Governor Figueroa for \$500. Upon the death of the governor, Abel Stearns bought the land in 1842 for \$5,934. The price included not only the land, but also the cattle grazing upon it. He successfully raised cattle until the extended drought of 1863 which killed more than 30,000 head of stock. He lost the rancho through foreclosure to Michael Reese, a moneylender in San Francisco.

Reese let the land lie fallow until 1878, when John Bixby leased the rancho to raise grain and sheep. In 1881, I. W. Hellman and the J. Bixby Company jointly purchased the Los Alamitos Rancho which by then had been reduced to 28,087 acres by sales of parcels during the years. Five thousand acres were set aside for a township to be established in the near future. It was a township that developed after John Bixby had died.

Symbols of Los Alamitos

City Seal

The City seal of Los Alamitos represents the many factors of its past. The official seal of the City of Los Alamitos was accepted in October 1960, and was designed by William Daniels. The lovely seal consists of a wide, circling band with the words “City of Los Alamitos” interposed on a flat outline of the State of California. In the center of the band is a Cottonwood Tree, for which the City is named. Across the tree trunk are the three flags (Spanish, Mexican, and American) which have flown over the City. The Spanish flag reminds Los Alamitos of its beginning in 1784, when it was founded by a Spanish Land Grant. The other flags on the seal - the Mexican flag and the American flag - show the history of the City when it was included in the territory of those two countries.

Cottonwood Tree

When the Indians lived in this area for 3,000 years, and when the first Spanish expedition under Gaspar De Portola arrived, the land was dotted with Indian settlements, meandering rivers and creeks, along with clusters of Cottonwood Trees.

Considering Los Alamitos means “Little Cottonwoods” in Spanish, it was from this first vision that the City of Los Alamitos received its name.

City Flower

In 1981, the Los Alamitos City Council discovered Los Alamitos was one of a very few Orange County cities which had not chosen an official city flower. Therefore, the Council immediately assigned the task of choosing an official flower to the City’s Fine Arts & Cultural Affairs Commission.

The Commission enthusiastically made plans to involve the entire community in the project by conducting a citywide contest for recommendations in choosing a flower. It was decided that those eligible to enter the contest would be elementary through high school students attending Los Alamitos Unified School District schools.

The winning recommendation, based on originality, was submitted by Stan Weed, an elementary school student. Stan recommended the Daisy be chosen as the official flower of the City of Los Alamitos because he felt “The Daisy would be a good flower because it is bright and sunny, like the Los Alamitos climate.” As over-all winner, Stan won a \$100 prize bond, and the Daisy became the official flower for Los Alamitos.

or protest to be entered in the minutes shall be made in the following manner: "I would like the minutes to show that I am opposed to this action for the following reasons. . ." (Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996)

§ 2.04.150. Rules of order.

Except as provided in this code, the City Charter, other rules adopted by the city council, or applicable provisions of state law, the procedure of the council shall be governed by majority vote of the city council. Robert's Rules of Order may be used as a guide but shall not be conclusive authority on any question of order or procedure. (Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.160. Failure to observe rules of order.

Rules adopted to expedite the transaction of the business of the council in an orderly fashion are deemed to be procedural only and the failure to strictly observe such rules shall not affect the jurisdiction of the council or invalidate any action taken at a meeting that is otherwise held in conformity with laws. (Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.170. Addressing the council.

- A. Manner of Addressing Council. Each person desiring to address the council shall step up to the microphone in the front of the council chamber, is requested to state his or her name and address for the record, state the subject he or she wishes to discuss, state whom he or she is representing if he or she represents an organization or other persons, and, unless further time is granted by majority vote of the council, shall limit his or her remarks to three minutes at the time an agenda item is called and five minutes during oral communications. All remarks shall be addressed to the council as a whole and not to a member thereof. No question shall be asked of a councilmember or a member of the city staff without the permission of the presiding officer.
- B. Spokesperson for Group of Persons. In order to expedite matters and to avoid repetitious presentations, whenever any group of persons wishes to address the council on the same subject matter, it shall be proper for the presiding officer to request that a spokesperson be chosen by the group to address the council and, in case additional matters are to be presented by any other member of the group, to limit the number of such persons addressing the council.
- C. After Motion. After motion has been made or a public hearing has been closed, no member of the public shall address the council from the audience on the matter under consideration without first securing permission to do so by a majority vote of the council. (Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996; Ord. 11-05 § 1, 2011)

§ 2.04.180. Rules of decorum.

- A. Councilmembers. While the council is in session, the members must preserve order

and decorum, and a member shall neither by conversation or otherwise delay or interrupt the proceedings or the peace of the council or disturb any member while speaking or refuse to obey the orders of the presiding officer. Members of the council shall not leave their seats during a meeting without first obtaining the permission of the presiding officer.

- B. Employees. Members of the city staff and employees shall observe the same rules of order and decorum as are applicable to the city council, with the exception that members of the city staff may leave their seats during a meeting without first obtaining the permission of the presiding officer.
- C. Persons Addressing the Council. Any persons making impertinent, slanderous or profane remarks or who becomes boisterous while addressing the council shall be called to order by the presiding officer and, if such conduct continues, may at the discretion of the presiding officer be ordered barred from further audience before the council during that meeting.
- D. Members of the Audience. Any person in the audience who engages in disorderly conduct such as hand clapping, stamping of feet, whistling, using profane language, yelling and similar demonstrations, which conduct disturbs the peace and good order of the meeting, or who refuses to comply with the lawful orders of the presiding officer shall be guilty of a misdemeanor, and upon instructions from the presiding officer, it shall be the duty of the sergeant at arms to remove any such person from the council chamber and to place him or her under arrest.
- E. Persons Authorized at Council Dais. During a city council meeting no person, except members of the city council and the city staff, shall be permitted on, at or within five feet of the council dais without the prior consent of the presiding officer.
(Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.190. Enforcement of decorum.

The chief of police, or such member or members of the police department as the chief may designate, shall be sergeant at arms of the city council and shall carry out all orders by the presiding officer for the purpose of maintaining order and decorum at the council meetings. Any councilmember may move to require the presiding officer to enforce the rules and the affirmative vote of a majority of the council shall require the sergeant at arms to do so.

(Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996)

§ 2.04.200. Motion—Second required.

A motion by any member of the council, including the presiding officer, may not be considered by the council without receiving a second.

(Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.210. Voting procedure.

Any vote of the council including a roll call vote, may be registered by the members by

answering "yes" or "aye" for an affirmative vote or "no" or "nay" for a negative vote upon his or her name being called by the city clerk, or by pressing a switch to cause a green light to show for an affirmative vote and a red light to show for a negative vote upon being called by the presiding officer. The result of any vote registered by means of a lighting system shall be audibly announced by the city clerk and recorded and in the minutes as the vote.

(Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.220. Disqualification for conflict of interest.

Any councilmember who is disqualified from voting on a particular matter by reason of a conflict of interest shall publicly state or have the presiding officer state the nature of such disqualification in open meeting. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the councilmember affected, be decided by the other councilmembers. A councilmember who is disqualified by reason of a conflict of interest in any manner shall not remain seated during the debate and vote on such matter, but shall request and be given the permission of the presiding officer to step down from the council table and leave the council chamber. A councilmember stating such disqualification shall not be counted as a part of a quorum and shall be considered absent for the purpose of determining the outcome of any vote on such matter.

(Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996)

§ 2.04.230. Failure to vote.

Every councilmember should vote unless disqualified by reason of conflict of interest or bias/prejudice. A councilmember who abstains from voting without a disqualifying conflict of interest or bias/prejudice thereby consents that a majority of the quorum may decide the question voted upon.

(Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996)

§ 2.04.240. Tie vote.

Tie votes shall be lost motions and may be reconsidered.

§ 2.04.260. Reconsideration.

A motion to reconsider any action taken by the council may be made only on the day such action was taken. It may be made either immediately during the same session, or at a recessed or adjourned session thereof. Such motion may be made only by one of the

councilmembers who voted with the prevailing side. Nothing herein shall be construed to prevent any councilmember from making or remaking the same or any other motion at a subsequent meeting of the council.

(Ord. 293 § 2, 1974; Ord. 419 § 1, 1981; Ord. 598 § 1, 1996)

§ 2.04.270. Ordinances, resolutions and contracts.

A. All ordinances shall be approved by the city attorney, and no ordinances shall be prepared for presentation to the council unless ordered by a majority vote of the council, or requested by the mayor, or city manager, or prepared by the city attorney on his or her own initiative.

B. Prior to Approval by Administrative Staff. All ordinances, resolutions and contract documents shall, before presentation to the council, have been approved as to form and legality by the city attorney and shall have been examined and approved for administration by the city manager or authorized representative.

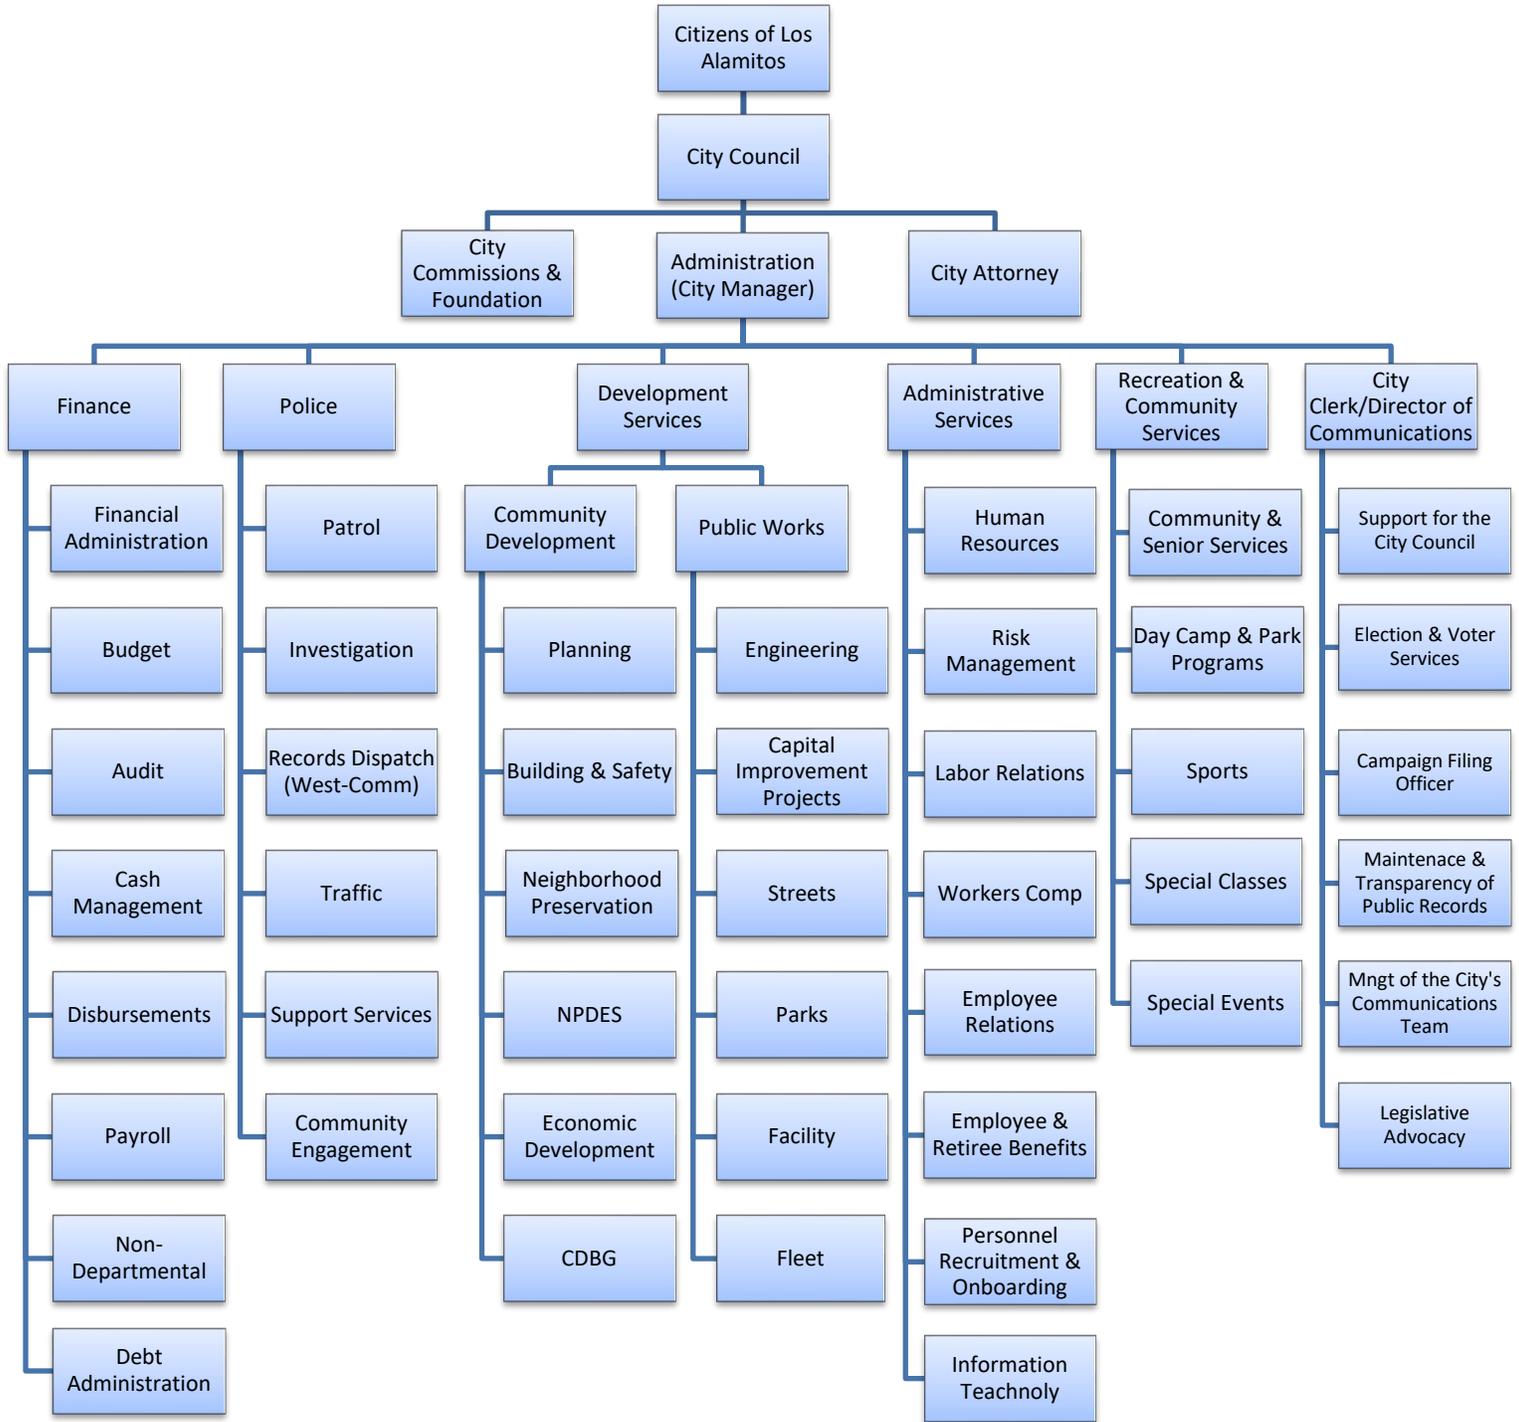

(Ord. 293 § 2, 1974; Ord. 598 § 1, 1996)

§ 2.04.280. Reading of ordinances and resolutions.

At the time of the adoption of an ordinance, it shall be read in full unless, after reading of the title thereof, the further reading thereof is waived by unanimous consent of the councilmembers present. Such consent may be expressed by a statement by the presiding officer that "if there is no objection, the further reading of the ordinance or resolution shall be waived. If any councilmember so requests an ordinance or resolution shall be read in full."
